# CITY of NOVI CITY COUNCIL

Agenda Item C  
May 19, 2008

**SUBJECT:** Approval to award the bid for Debris Removal (West Road Location) to Bob Myers Excavating, Inc., the low bidder, in the amount of \$39,550.00.

**SUBMITTING DEPARTMENT:** DPW

**CITY MANAGER APPROVAL:** 

<b>EXPENDITURE REQUIRED</b>	\$39,550.00
<b>AMOUNT BUDGETED</b>	\$100,000 estimated
<b>APPROPRIATION REQUIRED</b>	N/A
<b>LINE ITEM NUMBER</b>	210-211.00-872.000

**BACKGROUND INFORMATION:**

This bid is for the removal of approximately 6,000 - 7,000 yards of miscellaneous debris that has been generated through department operations and has been collected and deposited on City property located on West Road near the Novi Waste Water Treatment Plant. The site has reached its stockpiling capacity and is beginning to impede soil erosion maintenance. Proper removal and disposal of debris is a requirement within the City's Storm Water Master Plan. The debris consists of non-hazardous materials including catch basin sediment, block and brick from catch basin rehabilitations, ditching materials (dirt), broken concrete and asphalt from paving projects, boulders, street sweeping soils, and material from water main and sanitary sewer main repairs.

Fifteen bids were received and reviewed. Staff visited the site and met with Bob Myers Excavating personnel. Bob Myers is the low bidder and satisfied the bid requirements.

**RECOMMENDED ACTION:** Approval to award the bid for Debris Removal (West Road Location) to Bob Myers Excavating, Inc., the low bidder, in the amount of \$39,550.00.

**CITY OF NOVI  
DEBRIS REMOVAL - WEST ROAD LOCATION**

**SPECIFICATIONS**

**LOCATION:** 46351 West Road, Novi, MI 48377 (enter from West Park Drive just south of the Novi Waste Water Treatment Plant)

**SITE VISIT HOURS:** If you would like to inspect the debris pile before bidding, please Tim Sikma (248) 343-1296 or Chris Quick (248) 343-5903 to schedule an appointment.

**SERVICE HOURS:** 8:00 A.M. – 3:00 P.M., Monday – Friday

**SCOPE OF SERVICE:**

The City of Novi is seeking proposals for the removal and disposal of debris and non-hazardous materials at the location listed above.

There are approximately 6,000 – 7,000 yards of miscellaneous non-hazardous debris collected over the last 3 years. The debris consists of catch basin sediment, block and brick from catch basin rehabilitations, ditching materials (dirt), broken concrete and asphalt (paving work), boulders, street sweeping spoils, and material from water main and sanitary sewer main repairs.

Contractor will load the trucks and provide their own equipment for this task.

Contractor will be solely responsible for compliance with weight laws, tarping loads, and tracking of material.

The City is not liable for any damage to dump boxes as the result offloading and hauling.

Price is to be quoted on a per cubic yard basis, including removal, disposal fees, fuel surcharges, and any other applicable fees. Contractor shall not break out any costs separately on this bid.

Contractor must be able to haul a minimum of twenty-eight (28) yards of debris per load and haul at least ten (10) loads per day.

The Contractor must include with his bid the location of the approved disposal site and EPA permit number.

The debris is ready for pick up. No new debris will be added to the pile you are bidding on as of the date this bid is issued.

**TIMELINE:**

We plan to award the contract at the May 19, 2008 Council meeting. A purchase order will be issued on May 20<sup>th</sup>. **Work can commence immediately after receipt of purchase order AND after we have received your certificate of insurance. Work is to be finished by June 30, 2008.**

**INSURANCE REQUIREMENTS: See Attachment A**
