

CITY of NOVI CITY COUNCIL

**Agenda Item 6
August 11, 2008**

SUBJECT: Appointment of Planning Commissioner to the Zoning Board of Appeals

SUBMITTING DEPARTMENT: Community Development Department - Planning ^{Burke}

CITY MANAGER APPROVAL: 

BACKGROUND INFORMATION:

Changes to Zoning Enabling Act a couple of years ago required local communities to have one citizen serve in dual capacity on the Planning Commission and Zoning Board of Appeals. The Act was recently modified to allow that appointment to be at the discretion of the local community. Over the last year, Planning Commission member Wayne Wrobel volunteered to serve in this capacity, and was recommended for the appointment by the Planning Commission and approved by the City Council. At a recent meeting, the Planning Commission identified member Brian Burke as willing and able to serve in this dual capacity for the next year, if the City Council chooses to continue this practice.

While staff notes that serving on two boards is a big commitment for a citizen volunteer, members of both boards recently indicated that this person has provided a good "interface" between the boards and helped facilitate an understanding of issues of importance to both boards. We note that there were a couple of instances where the joint member was required to abstain from voting on issues before the ZBA that had previously been before the Planning Commission. This inherent conflict was recognized in the recent changes to the Act, which now requires abstention from voting by the member under certain circumstances. Staff will continue to monitor whether a quorum of members will be present at the ZBA meetings for issues where the joint member must abstain from voting.

Attached are a letter from the City Attorney's office, the new Public Act with relevant sections highlighted, and correspondence from members of the Planning Commission and Zoning Board of Appeals in support of the dual membership. Planning Commission member Brian Burke was recommended by the Commission for this appointment.

RECOMMENDED ACTION: Appointment of Planning Commission member Brian Burke to serve on the Zoning Board of Appeals.

Re: *Required Membership of Planning Commission Member on Zoning Board of Appeals*
Our File No. 55142 NOV

Dear Ms. Cornelius:

This letter follows up on our recent telephone conversation about whether a Planning Commission member is required to be appointed to the Zoning Board of Appeals during this next round of appointments to boards and commissions. As I indicated, recent changes to the Michigan Zoning Enabling Act removed the requirement that a Planning Commissioner serve on the ZBA in a City; that service is now made optional, rather than mandatory.

When we amended the zoning ordinance last year to expand the make up of the board to seven members, we also included language that one member of the ZBA “shall” be a member of the Planning Commission “if required under the Michigan Zoning Enabling Act.” At the time, we knew that there was likely going to be a change in this provision with regard to cities. That change has now occurred.

The bottom line on this matter is therefore that the City Council is no longer *required* to appoint a member of the Planning Commission to the ZBA. Obviously, if the Council wants to continue the membership of one of the Planning Commissioners on the ZBA it can do so. However, it should be noted that there were a couple of instances where the joint Planning Commission/ZBA member was required to abstain from voting on issues that had previously been before the Planning Commission. This is an inherent conflict in such a joint position, as is recognized by the recent changes to the MZEA, which require abstention by the joint Planning Commission/ZBA member under certain circumstances.

Sec. 103. (1) Except as otherwise provided under this act, if a local unit of government conducts a public hearing required under this act, the local unit of government shall publish notice of the hearing in a newspaper of general circulation in the local unit of government not less than 15 days before the date of the hearing.

(2) Notice required under this act shall be given as provided under subsection (3) to the owners of property that is the subject of the request. Notice shall also be given as provided under subsection (3) to all persons to whom real property is assessed within 300 feet of the property that is the subject of the request and to the occupants of all structures within 300 feet of the subject property regardless of whether the property or structure is located in the zoning jurisdiction. Notification need not be given to more than 1 occupant of a structure, except that if a structure contains more than 1 dwelling unit or spatial area owned or leased by different persons, 1 occupant of each unit or spatial area shall be given notice. If a single structure contains more than 4 dwelling units or other distinct spatial areas owned or leased by different persons, notice may be given to the manager or owner of the structure, who shall be requested to post the notice at the primary entrance to the structure.

(3) The notice under subsection (2) is considered to be given when personally delivered or when deposited during normal business hours for delivery with the United States postal service or other public or private delivery service. The notice shall be given not less than 15 days before the date the request will be considered. If the name of the occupant is not known, the term "occupant" may be used for the intended recipient of the notice.

(4) A notice under this section shall do all of the following:

(a) Describe the nature of the request.

(b) Indicate the property that is the subject of the request. The notice shall include a listing of all existing street addresses within the property. Street addresses do not need to be created and listed if no such addresses currently exist within the property. If there are no street addresses, other means of identification may be used.

(c) State when and where the request will be considered.

(d) Indicate when and where written comments will be received concerning the request.

Sec. 202. (1) The legislative body of a local unit of government may provide by ordinance for the manner in which the regulations and boundaries of districts or zones shall be determined and enforced or amended or supplemented. Amendments or supplements to the zoning ordinance shall be adopted in the same manner as provided under this act for the adoption of the original ordinance.

(2) Except as provided in subsection (3), the zoning commission shall give a notice of a proposed rezoning in the same manner as required under section 103.

(3) For any group of adjacent properties numbering 11 or more that is proposed for rezoning, the requirements of section 103 (2) and the requirement of section 103(4)(b) that street addresses be listed do not apply to that group of adjacent properties.

(4) An amendment to a zoning ordinance by a city or village is subject to a protest petition under section 403.

(5) An amendment to conform a provision of the zoning ordinance to the decree of a court of competent jurisdiction as to any specific lands may be adopted by the legislative body and the notice of the adopted amendment published without referring the amendment to any other board or agency provided for under this act.

Sec. 208. (1) If the use of a dwelling, building, or structure or of the land is lawful at the time of enactment of a zoning

ordinance or an amendment to a zoning ordinance, then that use may be continued although the use does not conform to the zoning ordinance or amendment. This subsection is intended to codify the law as it existed before July 1, 2006 in section 216 (1) of the former county zoning act, 1943 PA 183, section 286(1) of the former township zoning act, 1943 PA184, and section 583a(1) of the former city and village zoning act, 1921 PA 207, as they applied to counties, townships, and cities and villages, respectively, and shall be construed as a continuation of those laws and not as new enactments.

(2) The legislative body may provide in a zoning ordinance for the completion, resumption, restoration, reconstruction, extension, or substitution of nonconforming uses or structures upon terms and conditions provided in the zoning ordinance. In establishing terms for the completion, resumption, restoration, reconstruction, extension, or substitution of nonconforming uses or structures, different classes of nonconforming uses may be established in the zoning ordinance with different requirements applicable to each class.

(3) The legislative body may acquire, by purchase, condemnation, or otherwise, private property or an interest in private property for the removal of nonconforming uses and structures. The legislative body may provide that the cost and expense of acquiring private property may be paid from general funds or assessed to a special district in accordance with the applicable statutory provisions relating to the creation and operation of special assessment districts for public improvements in local units of government. Property acquired under this subsection by a city or village shall not be used for public housing.

(4) The elimination of the nonconforming uses and structures in a zoning district is declared to be for a public purpose and for a public use. The legislative body may institute proceedings for condemnation of nonconforming uses and structures under 1911 PA 149, MCL 213.21 to 213.25.

Sec. 301. (1) Each local unit of government in which the legislative body exercises authority under this act shall create a zoning commission unless 1 of the following applies:

(a) A county zoning commission created under former 1943 PA 183, a township zoning board created under former 1943 PA 184, or a city or village zoning commission created under former 1921 PA 207 was in existence in the local unit of government as of June 30, 2006. Unless abolished by the legislative body, that existing board or commission shall continue as and exercise the powers and perform the duties of a zoning commission under this act, subject to a transfer of power under subsection (2).

(b) A planning commission was, as of June 30, 2006, in existence in the local unit of government and pursuant to the applicable planning enabling act exercising the powers and performing the duties of a county zoning commission created under former 1943 PA 185, of a township zoning board created under former 1943 PA 184, or of a city or village zoning commission created under former 1921 PA 207. Unless abolished by the legislative body, that existing planning commission shall continue and exercise the powers and perform the duties of a zoning commission under this act.

(c) The local unit of government has created a planning commission on or after July 1, 2006 and transferred the powers and duties of a zoning commission to the planning commission pursuant to the applicable planning enabling act.

(2) Except as otherwise provided under this subsection, if the powers and duties of the zoning commission have been transferred to the planning commission as provided by law, the planning commission shall function as the zoning commission of the local unit of government. By July 1, 2011, the legislative body shall transfer the powers and duties of the zoning commission to the planning commission. Except as provided under this subsection, beginning July 1, 2011, a zoning commission's powers or duties under this act or an ordinance adopted under this act shall only be exercised or performed by a planning commission.

(3) If a zoning commission is created on or after July 1, 2006, the zoning commission shall be created by resolution and be composed of not fewer than 5 or more than 11 members appointed by the legislative body. Not fewer than 2 of the members of a county zoning commission shall be recommended for membership by the legislative bodies of townships that are, or will be, subject to the county zoning ordinance. This requirement may be met as vacancies occur on a county zoning commission that existed on June 30, 2006.

(4) The members of a zoning commission shall be selected upon the basis of the members' qualifications and fitness to serve as members of a zoning commission.

(5) The first zoning commission appointed under subsection (3) shall be divided as nearly as possible into 3 equal groups, with terms of each group as follows:

(a) One group for 1 year.

(b) One group for 2 years.

(c) One group for 3 years.

(6) Upon the expiration of the terms of the members first appointed, successors shall be appointed in the same manner for terms of 3 years each. A member of the zoning commission shall serve until a successor is appointed and has been qualified.

(7) A vacancy on a zoning commission shall be filled for the remainder of the unexpired term in the same manner as the original appointment.

(8) An elected officer of a local unit of government shall not serve simultaneously as a member or an employee of the zoning commission of that local unit of government, except that 1 member of the legislative body may be a member of the zoning commission.

(9) The legislative body shall provide for the removal of a member of a zoning commission for misfeasance, malfeasance, or nonfeasance in office upon written charges and after public hearing.

(10) A zoning commission shall elect from its members a chairperson, a secretary, and other officers and establish such committees it considers necessary and may engage any employees, including for technical assistance, it requires. The election of officers shall be held not less than once in every 2-year period.

Sec. 401. (1) After receiving a zoning ordinance under section 308(1) or an amendment under sections 202 and 308(1), the legislative body may hold a public hearing if it considers it necessary or if otherwise required.

(2) Notice of a public hearing to be held by the legislative body shall be given in the same manner as required under section 103(1) for the initial adoption of a zoning ordinance or section 202 for any zoning text or map amendments.

(3) The legislative body may refer any proposed amendments to the zoning commission for consideration and comment within a time specified by the legislative body.

(4) The legislative body shall grant a hearing on a proposed ordinance provision to an interested property owner who requests a hearing by certified mail, addressed to the clerk of the legislative body. A hearing under this subsection is not subject to the requirements of section 103, except that notice of the hearing shall be given to the interested property owner in the manner required in section 103(3) and (4).

(5) After any proceedings under subsections (1) to (4), the legislative body shall consider and vote upon the adoption of a zoning ordinance, with or without amendments. A zoning ordinance and any amendments shall be approved by a majority vote of the members of the legislative body.

(6) Except as otherwise provided under section 402, a zoning ordinance shall take effect upon the expiration of 7 days after publication as required by subsection (7) or at such later date after publication as may be specified by the legislative body or charter.

(7) Following adoption of a zoning ordinance or any subsequent amendments by the legislative body, the zoning ordinance or subsequent amendments shall be filed with the clerk of the legislative body, and a notice of ordinance adoption shall be published in a newspaper of general circulation in the local unit of government within 15 days after adoption.

(8) A copy of the notice required under subsection (7) shall be mailed to the airport manager of an airport entitled to notice

under section 306.

(9) The notice required under this section shall include all of the following information:

(a) In the case of a newly adopted zoning ordinance, the following statement: "A zoning ordinance regulating the development and use of land has been adopted by the legislative body of the [county, township, city, or village] of _____."

(b) In the case of an amendment to an existing zoning ordinance, either a summary of the regulatory effect of the amendment, including the geographic area affected, or the text of the amendment.

(c) The effective date of the ordinance or amendment.

(d) The place where and time when a copy of the ordinance or amendment may be purchased or inspected.

(10) The filing and publication requirements under this section supersede any other statutory or charter requirements relating to the filing and publication of county, township, city, or village ordinances.

Sec. 407. Except as otherwise provided by law, a use of land or a dwelling, building, or structure, including a tent or recreational vehicle, used, erected, altered, razed, or converted in violation of a zoning ordinance or regulation adopted under this act is a nuisance per se. The court shall order the nuisance abated, and the owner or agent in charge of the dwelling, building, structure, tent, recreational vehicle, or land is liable for maintaining a nuisance per se. The legislative body shall in the zoning ordinance enacted under this act designate the proper official or officials who shall administer and enforce the zoning ordinance and do 1 of the following for each violation of the zoning ordinance:

(a) Impose a penalty for the violation.

(b) Designate the violation as a municipal civil infraction and impose a civil fine for the violation.

(c) Designate the violation as a blight violation and impose a civil fine or other sanction authorized by law. This subdivision applies only to a city that establishes an administrative hearings bureau pursuant to section 4q of the home rule city act, 1909 PA 279, MCL 117.4q.

Sec. 501. (1) The local unit of government may require the submission and approval of a site plan before authorization of a land use or activity regulated by a zoning ordinance. The zoning ordinance shall specify the body or official responsible for reviewing site plans and granting approval.

(2) If a zoning ordinance requires site plan approval, the site plan, as approved, shall become part of the record of approval, and subsequent actions relating to the activity authorized shall be consistent with the approved site plan, unless a change conforming to the zoning ordinance is agreed to by the landowner and the body or official that initially approved the site plan.

(3) The procedures and requirements for the submission and approval of site plans shall be specified in the zoning ordinance. Site plan submission, review, and approval shall be required for special land uses and planned unit developments.

(4) A decision rejecting, approving, or conditionally approving a site plan shall be based upon requirements and standards contained in the zoning ordinance, other statutorily authorized and properly adopted local unit of government planning documents, other applicable ordinances, and state and federal statutes.

(5) A site plan shall be approved if it contains the information required by the zoning ordinance and is in compliance with the conditions imposed under the zoning ordinance, other statutorily authorized and properly adopted local unit of government planning documents, other applicable ordinances, and state and federal statutes.

Sec. 601. (1) A zoning ordinance shall create a zoning board of appeals. A zoning board of appeals in existence on June 30, 2006 may continue to act as the zoning board of appeals subject to this act. Subject to subsection (2), members of a zoning board of appeals shall be appointed by majority vote of the members of the legislative body serving.

(2) The legislative body of a city or village may act as a zoning board of appeals and may establish rules to govern its procedure as a zoning board of appeals.

(3) A zoning board of appeals shall be composed of not fewer than 5 members if the local unit of government has a population of 5,000 or more or not fewer than 3 members if the local unit of government has a population of less than 5,000. The number of members of the zoning board of appeals shall be specified in the zoning ordinance.

(4) In a county or township, 1 of the regular members of the zoning board of appeals shall be a member of the zoning commission, or of the planning commission if the planning commission is functioning as the zoning commission. In a city or village, 1 of the regular members of the zoning board of appeals may be a member of the zoning commission, or of the planning commission if the planning commission is functioning as the zoning commission, unless the legislative body acts as the zoning board of appeals under subsection (2). A decision made by a city or village zoning board of appeals before the effective date of the 2007 amendatory act that amended this section is not invalidated by the failure of the zoning board of appeals to include a member of the city or village zoning commission or planning commission, as was required by this subsection before that amendatory act took effect. *

(5) The remaining regular members of a zoning board of appeals, and any alternate members under subsection (7), shall be selected from the electors of the local unit of government residing within the zoning jurisdiction of that local unit of government or, in the case of a county, residing within the county but outside of any city or village. The members selected shall be representative of the population distribution and of the various interests present in the local unit of government.

(6) Subject to subsection (2), 1 regular or alternate member of a zoning board of appeals may be a member of the legislative body. Such a member shall not serve as chairperson of the zoning board of appeals. An employee or contractor of the legislative body may not serve as a member of the zoning board of appeals.

(7) The legislative body may appoint to the zoning board of appeals not more than 2 alternate members for the same term as regular members. An alternate member may be called as specified in the zoning ordinance to serve as a member of the zoning board of appeals in the absence of a regular member if the regular member will be unable to attend 1 or more meetings. An alternate member may also be called to serve as a member for the purpose of reaching a decision on a case in which the member has abstained for reasons of conflict of interest. The alternate member appointed shall serve in the case until a final decision is made. An alternate member serving on the zoning board of appeals has the same voting rights as a regular member.

(8) A member of the zoning board of appeals may be paid a reasonable per diem and reimbursed for expenses actually incurred in the discharge of his or her duties.

(9) A member of the zoning board of appeals may be removed by the legislative body for misfeasance, malfeasance, or nonfeasance in office upon written charges and after a public hearing. A member shall disqualify himself or herself from a vote in which the member has a conflict of interest. Failure of a member to disqualify himself or herself from a vote in which the member has a conflict of interest constitutes malfeasance in office.

(10) The terms of office for members appointed to the zoning board of appeals shall be for 3 years, except for members serving because of their membership on the zoning commission or legislative body, whose terms shall be limited to the time they are members of those bodies. When members are first appointed, the appointments may be for less than 3 years to provide for staggered terms. A successor shall be appointed not more than 1 month after the term of the preceding member has expired.

(11) A vacancy on the zoning board of appeals shall be filled for the remainder of the unexpired term in the same manner as the original appointment.

(12) A zoning board of appeals shall not conduct business unless a majority of the regular members of the zoning board of appeals are present.

(13) A member of the zoning board of appeals who is also a member of the zoning commission, the planning commission, or the legislative body shall not participate in a public hearing on or vote on the same matter that the member voted on as a member of the zoning commission, the planning commission, or the legislative body. However, the member may consider and vote on other unrelated matters involving the same property. ✱

Sec. 604. (1) An appeal to the zoning board of appeals may be taken by a person aggrieved or by an officer, department, board, or bureau of this state or the local unit of government. In addition, a variance in the zoning ordinance may be applied for and granted under section 4 of the uniform condemnation procedures act, 1980 PA 87, MCL 213.54, and as provided under this act. The zoning board of appeals shall state the grounds of any determination made by the board.

(2) An appeal under this section shall be taken within such time as prescribed by the zoning board of appeals by general rule, by filing with the body or officer from whom the appeal is taken and with the zoning board of appeals a notice of appeal specifying the grounds for the appeal. The body or officer from whom the appeal is taken shall immediately transmit to the zoning board of appeals all of the papers constituting the record upon which the action appealed from was taken.

(3) An appeal to the zoning board of appeals stays all proceedings in furtherance of the action appealed. However, if the body or officer from whom the appeal is taken certifies to the zoning board of appeals after the notice of appeal is filed that, by reason of facts stated in the certificate, a stay would in the opinion of the body or officer cause imminent peril to life or property, proceedings may be stayed only by a restraining order issued by the zoning board of appeals or a circuit court.

(4) Following receipt of a written request for a variance, the zoning board of appeals shall fix a reasonable time for the hearing of the request and give notice as provided in section 103.

(5) If the zoning board of appeals receives a written request seeking an interpretation of the zoning ordinance or an appeal of an administrative decision, the zoning board of appeals shall conduct a public hearing on the request. Notice shall be given as required under section 103. However, if the request does not involve a specific parcel of property, notice need only be published as provided in section 103(1) and given to the person making the request as provided in section 103(3).

(6) At a hearing under subsection (5), a party may appear personally or by agent or attorney. The zoning board of appeals may reverse or affirm, wholly or partly, or modify the order, requirement, decision, or determination and may issue or direct the issuance of a permit.

(7) If there are practical difficulties for nonuse variances as provided in subsection (8) or unnecessary hardship for use variances as provided in subsection (9) in the way of carrying out the strict letter of the zoning ordinance, the zoning board of appeals may grant a variance in accordance with this section, so that the spirit of the zoning ordinance is observed, public safety secured, and substantial justice done. The ordinance shall establish procedures for the review and standards for approval of all types of variances. The zoning board of appeals may impose conditions as otherwise allowed under this act.

(8) The zoning board of appeals of all local units of government shall have the authority to grant nonuse variances relating to the construction, structural changes, or alteration of buildings or structures related to dimensional requirements of the zoning ordinance or to any other nonuse-related standard in the ordinance.

(9) The authority to grant variances from uses of land is limited to the following:

(a) Cities and villages.

(b) Townships and counties that as of February 15, 2006 had an ordinance that uses the phrase "use variance" or "variances from uses of land" to expressly authorize the granting of use variances by the zoning board of appeals.

(c) Townships and counties that granted a use variance before February 15, 2006.

(10) The authority granted under subsection (9) is subject to the zoning ordinance of the local unit of government otherwise being in compliance with subsection (7) and having an ordinance provision that requires a vote of 2/3 of the members of the zoning board of appeals to approve a use variance.

(11) The authority to grant use variances under subsection (9) is permissive, and this section does not require a local unit of government to adopt ordinance provisions to allow for the granting of use variances.

Sec. 606. (1) Any party aggrieved by a decision of the zoning board of appeals may appeal to the circuit court for the county in which the property is located. The circuit court shall review the record and decision to ensure that the decision meets all of the following requirements:

(a) Complies with the constitution and laws of the state.

(b) Is based upon proper procedure.

(c) Is supported by competent, material, and substantial evidence on the record.

(d) Represents the reasonable exercise of discretion granted by law to the zoning board of appeals.

(2) If the court finds the record inadequate to make the review required by this section or finds that additional material evidence exists that with good reason was not presented, the court shall order further proceedings on conditions that the court considers proper. The zoning board of appeals may modify its findings and decision as a result of the new proceedings or may affirm the original decision. The supplementary record and decision shall be filed with the court. The court may affirm, reverse, or modify the decision.

(3) An appeal from a decision of a zoning board of appeals shall be filed within 30 days after the zoning board of appeals issues its decision in writing signed by the chairperson, if there is a chairperson, or signed by the members of the zoning board of appeals, if there is no chairperson, or within 21 days after the zoning board of appeals approves the minutes of its decision. The court may affirm, reverse, or modify the decision of the zoning board of appeals. The court may make other orders as justice requires.

Sec. 702. (1) The following acts and parts of acts are repealed:

(a) The city and village zoning act, 1921 PA 207, MCL 125.581 to 125.600.

(b) The county zoning act, 1943 PA 183, MCL 125.201 to 125.240.

(c) The township zoning act, 1943 PA 184, MCL 125.271 to 125.310.

(2) This section does not alter, limit, void, affect, or abate any pending litigation, administrative proceeding, or appeal that existed on June 30, 2006 or any ordinance, order, permit, or decision that was based on the acts repealed under subsection (1). The zoning ordinance need not be readopted but is subject to the requirements of this act, including, but not limited to, the amendment procedures set forth in this act.

This act is ordered to take immediate effect.

All –

First off, my apologies for the late response to this e-mail. I was out of town for the last week.

I won't rehash everything Wayne said; however I echo each of Wayne's comments below. His point about the 'interface' connecting the two bodies together sums up my beliefs.

In summary, I strongly support the continuation of the 'joint' member. I also believe Mr. Burke is an outstanding choice who would do an exceptional job on the ZBA.

Thank you for your consideration.

Regards,

Justin Fischer

Subject: Planning Commission Representative to The Zoning Board Of Appeals

Mayor Landry & Members of City Council,

First off, I would like to thank Mayor Landry and all the City Council members for giving me the opportunity to be the Planning Commission's representative to the ZBA this past year. I truly enjoyed my time as a member of the ZBA and I was happy to be able to contribute to the ZBA's success during the past year.

As you know, recent changes in state law no longer require a member of the Novi Planning Commission to serve on the ZBA. The continuation of this position is now left to the determination of each community.

I understand that City Council in the near future will discuss this matter and make a decision whether or not to continue having a Planning Commission member also serve on the ZBA.

I strongly urge each of you to continue appointing a member of the Planning Commission to the ZBA.

08/04/2008

I feel my presence on the ZBA allowed me to provide insight to my fellow ZBA members regarding reasoning behind Planning Commission recommendations and/or concerns. I also felt like I was able to convey ZBA concerns and issues to my fellow Planning Commission members.

By acting as an "interface" between both bodies, I believe It benefited both of them. Several members of the ZBA told me they appreciated the input they received from a current member of the Planning Commission.

I know some current members of the ZBA have served on the Planning Commission in the past and vice versa, but having a current member sitting on both at the same time I believe would benefit both with current issues facing the city..

During the Planning Commission meeting last night, we voted to recommend Brian Burke to the City Council for appointment consideration as the Planning Commission representative the ZBA for the coming year if the position is continued.. I believe Brian would do an exceptional job in this position.

Once again, I urge each of you to continue appointing a member of the Planning Commission to the ZBA. I believe it will benefit both bodies as well as the citizens of Novi.

Wayne Wrobel
