CITY MANAGER APPROVAL:

BACKGROUND INFORMATION: Applicant T. Michael Ansley is the President of Troy Burgers, Inc. d/b/a Bagger Dave's. Mr. Ansley is also President and CEO of Diversified Restaurant Holdings, Inc., a restaurant management company, which handles the operations of 15 Buffalo Wild Wings restaurants, including the Novi location.

The concept of Bagger Dave's is based on three core objectives: quality food, value pricing and an entertaining atmosphere. It will be located at 26060 Novi Road, which will be a newly constructed out lot at the Novi Town Center, south of the car wash. The entertainment permit is primarily being requested for on-location radio station broadcasts and various other business promotions, such as burger eating contests.

The Police Department finds no reason to deny the applicant's request for a liquor license transfer, based on the information provided. Per the Planning Division, the use is permitted in this zoning district, subject to site plan review. The Fire Department and Building Division have no objection to approval to the request, within the proposed location, pending compliance with the required City and/or State regulations. No plans have been received for review at this time.
