CITY of NOVI CITY COUNCIL

Agenda Item I
February 6, 2012

SUBJECT: Approval of Resolution Amending Annual Assessment for Special Assessment District 143-C Providence Street Lighting.

SUBMITTING DEPARTMENT: City Managers/Assessing/Treasury/DPS

CITY MANAGER APPROVAL: 

BACKGROUND INFORMATION:

The Special Assessment District 143-C was established on July 25, 1994 for the street lighting costs as billed by DTE for use and maintenance at the Providence site.

The fund balance in this special assessment district as of June 30, 2011 was \$8,450; and estimated annual costs for 2011-12 are \$600. The current 2011 levy is \$439.20.

Annual usage and maintenance costs as billed by DTE have decreased, in part to the replacement of the infrastructure and reduction from two poles to one, and as a result sufficient funds are available to reduce the annual assessment. The recommendation is for the total annual roll for this district to be reduced to \$0.00 through tax year 2015, resuming in 2016 with the annual levy of \$439.20, subject to evaluation of costs at that time.
