So swift is the action, so involved the situations, so rib tickling the plot that at its finish you will be left as exhausted from laughter as though you had run a foot race! Galloping in and out of the doors of an English vicarage are and American actor and actress (he is now stationed with the air force in England), a cockney maid who has seen too many American movies, an old maid who "touches alcohol for the first time in her life," and a sedate Bishop aghast at all these goings on and the trumped up stories they tell him.

All performances will be held at
