## ARTICLE III

3.01 Membership. Every owner of a Lot in the Subdivision shall be a Member of the Association immediately upon becoming an Owner. The term "Owner" shall mean the record Owner, whether one or more persons or entities, of the fee simple title to any Lot or Lots and/or the land contract vendee(s) for any such Lot or Lots. The term "Owner" shall not include any mortgagee(s) unless and until such mortgagee(s) shall have acquired fee simple title to such Lot(s) by foreclosure or other proceeding or conveyance thereof in lieu of foreclosure and shall not include any interest in a Lot(s) held as security for the performance of any obligation. In the event more than one person or entity owns an interest in the fee simple title to any Lot, or has an interest as a land contract vendee, the interests of all such persons collectively shall be that of one Owner.

### 3.02 Membership Fees and Assessments.

(a) Obligation for Assessments. The Owner of each Lot in the Subdivision shall pay to the Association when due: (i) all regular assessments or charges of the Association, (ii) special assessments, if any, for capital improvements to be established and collected as hereinafter set forth, and (iii) all other assessments for taxes, levies, assessments or other charges lawfully imposed or charged to the Association or the common areas.

(b) Purpose. The purpose of the assessments levied by the Association shall be for the repair, maintenance, operation, management and improvement of the retention pond(s), storm drainage system and all other common areas, if any, including but not limited to the payment of all taxes and insurance thereon, the repair and replacement thereof, the operation thereof, additions thereto and improvements thereon, and for the cost of labor, equipment, materials, management and supervision for and in connection thereof and of the Association, and for any other lawful purpose not in contravention of the Declaration, the Articles of Incorporation or these By-Laws.

(c) Regular Annual Assessment. The regular annual assessment for all Lots in the Subdivision which are subject to assessment shall be the sum of \$35.00 per Lot, which shall be adjusted and payable as follows:

(1) Regular assessments for each assessment period shall be due and payable in advance on the first day of March and the first day of September of each year thereafter in the amount of \$17.50 each.

(2) The first regular assessment for each Lot shall be due and payable upon the closing of the purchase of the dwelling unit by the Owner of the Lot in an amount which bears the same proportion to the regular assessment as the remaining number of days in the then current assessment period bears to the total number of days in such assessment period; provided, however, that the first regular assessment shall be the next semi-annual regular assessment date if the assessment for the then current assessment period has been paid in full.

(3) Promptly at the end of each fiscal year of the Association, the Board of Directors shall adjust the regular assessment next due for each Lot to reflect the proportionate share of each Lot for any and all costs, expenses or obligations incurred by the Association in the then ending fiscal year over assessments received or receivable, and each Owner shall pay the regular assessment next due as adjusted.

(4) The Board of Directors, in its discretion, may establish an installment program for the payment of any regular, special or deficit assessment and may charge interest in connection therewith.

(d) Capital Improvement Special Assessment. In addition to the regular assessments provided for herein, the Association may levy a special assessment by resolution for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement to the retention pond(s) or other common areas, if any; provided, however, that any such special assessment shall be first approved by two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose. Such special assessment shall be due and payable according to the terms and conditions and in the manner specified in the Resolution of the Association.

(e) Uniform Assessment Rate. All regular, special and deficit assessments shall be fixed and established at the same rate for all Lots within the subdivision.

(f) Board of Directors' Duties. Subject to the foregoing provisions, the Board of Directors of the Association shall fix the amount of the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall prepare a roster of the Lots and the assessments applicable thereto to be maintained in the office of the Association and which shall be open to inspection by any Owner at all reasonable times. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. In addition, the Association shall, upon reasonable demand and without charge, furnish to any Owner liable for such assessment(s) a certificate in writing signed by an officer or director of the Association, which states whether such assessment(s) have been paid and the amounts, if any, which remain due and unpaid.

(g) Enforcement of Obligation to Pay Assessments.

The Association, by and through its duly appointed officers, shall have full power and authority to take all such actions and to bring all such proceedings as may be necessary or appropriate to enforce the obligation of any member to pay any assessment which is not paid on the due date. To that end, the Association may retain an attorney or attorneys, and may bring an action in its own name to enforce said obligations.

ARTICLE IV

4.01 Association Rights.

### Meetings

5.01 Annual Meetings. Meetings of the Association shall be held annually on the first Tuesday of August of each year at the principal office of the Association, or at such other time and place as the Board of Directors shall decide. Such meeting shall be held for the purpose of the election of directors, the appointment of officers, and the transaction of any other business which is within the power of the Members or Directors. Written notice of each annual meeting shall be sent to each Member entitled to vote by first class mail, postage prepaid, at least fifteen (15) days prior to said meeting; provided, however, that any annual meeting and the notice therefor may be waived by the Members, and any action which might have been taken at such meeting may be taken upon the vote of a majority of the Members.

5.02 Special Meetings. Special meetings of the Association may be called by the Board of Directors at any time, or upon the written request of a majority of the Members. Written notice of such a meeting, stating the purpose of the meeting, shall be sent to each Member in the same manner as for annual meetings of Directors and Members.

5.03 Quorum. The presence of Members or of proxies entitled to cast sixty percent (60%) of all of the votes of each of the outstanding Class A and Class B memberships shall constitute a quorum. In the event a required quorum is not present at such meeting, another meeting may be called, upon notice as set forth above, and the required quorum at such subsequent meeting shall be fifty percent (50%) of the required quorum at the preceding meeting.

5.04 Voting Rights. The Association shall have two classes of membership, which shall be and vote as follows:

(a) Class A Membership shall consist of all Owners other than Developer and each Class A Membership shall be entitled to one (1) vote for each Lot owned. When more than one person or entity holds an interest in any Lot (multiple ownership), all such persons shall be Members, but in no event shall there be more than one vote cast with respect to any such Lot and when more than one person or entity holds an interest in such Lot, such vote shall be exercised as they may, among themselves, agree and they shall so notify the Association in writing prior to any vote. In the event of multiple ownership and such Owners fail or refuse to notify

the Association within thirty (30) days of the date set for the meeting, then and in such event the Owner whose name first appears on record title or on the land contract shall be deemed as the Member authorized to vote on behalf of all the multiple Owners and any vote cast in person or by proxy or the failure of said Owner to vote shall be binding and conclusive on all such multiple Owners.

(b) Class B Membership shall consist of Developer and builders, developers and real estate companies who own or hold any Lots for resale to customers in the ordinary course of their business. Class B Members shall not be entitled to any votes for any Lot(s) owned. Class B Membership shall terminate as to any Lots owned by a Class B Member and shall be converted to and become Class A Membership when such Lot(s) are sold or conveyed to an Owner other than a Class B Member and such Owner becomes a Member.

5.05 Adjourned Meetings and Notices Thereof. Any annual or special meeting, whether or not a quorum is present, may be adjourned to any other time and place by the vote of a majority of the members which are either present in person or represented by proxy, or by any officer entitled to preside or to act as Secretary of such meeting, if no member is present, but in the absence of a quorum no other business may be transacted at such meeting. When any annual or special meeting is adjourned for thirty (30) days or more, notice of the adjourned meeting shall be given as in the case of an original meeting, and otherwise, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting, other than by announcement at the meeting at which such adjournment is taken.

5.06 Voting. The record date for voting purposes is hereby established as the tenth day prior to the date upon which any meeting is first noticed to be held and only persons in whose names memberships entitled to vote stand on the records of the corporation shall be entitled to vote at such meeting. Such vote may be viva voce or by ballot; provided, however, that all elections for directors must be by ballot upon demand made by a member at any election and before the voting begins. When an action, other than the election of directors, is to be taken, it shall be authorized by a majority of the votes cast by the Members entitled to vote thereon, unless otherwise provided in the Declaration, the Articles of Incorporation or the Corporation Act.

5.07 Consent of Absentees. The transactions of any meeting, either annual or special, however called and noticed, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum be present

either in person or by proxy, and if either before or after the meeting, each of the shareholders entitled to vote, not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the Association records or made a part of the minutes of the meeting.

5.08 Action without Meeting. Any action which, under any provision of the Michigan Business Corporation Act, may be taken at a meeting of the Members, may be taken without a meeting if authorized by a writing signed by all of the persons who would be entitled to vote upon such action at a meeting, and filed with the Secretary of the Association.

5.09 Proxies. Every Member entitled to vote or execute consents shall have the right to do so either in person or by one or more agents authorized by a written proxy executed by such person or his duly authorized agent and filed with the Secretary of the Association; provided that no such proxy shall be valid after the expiration of three (3) years from the date of its execution, unless otherwise provided in the written proxy.

6.05 Powers. Subject to limitations of the Declaration, the Articles of Incorporation, of the By-Laws and of the Michigan General Corporation Act as to action which shall be authorized or approved by the Members, all powers shall be exercised by or under the authority of, and the business and affairs of the Association shall be controlled by, the board of directors. Without prejudice to such general powers, but subject to the same limitations, it is hereby expressly declared that the directors shall have the following powers, to-wit:
