Agenda Item 2
May 22, 2017

SUBJECT: Approval in connection with Special Assessment District 179 (Holmes Road, Hemingway Drive, Brownstones Drive within the Vistas of Novi PUD) of:

- a. **Amendment to Resolution #3**, approving preliminary plans and costs, establishing the district, and directing creation of an assessment roll; and
- b. **Approval of Resolution #4**, receiving the roll as prepared and setting the roll for public hearing.

SUBMITTING DEPARTMENT: City Attorney

CITY MANAGER APPROVAL: 

BACKGROUND INFORMATION:

Special Assessment District 179 was initiated by a formal petition signed by the Meadowbrook Townhomes Condominium co-owners, Tollgate Ravines Condominium Association Board of Directors, and the owner of the Brownstones at the Vistas Apartments for the purpose of financing the reconstruction of Brownstone Drive, Hemingway Drive and Holmes Road for dedication to the City pursuant to the Vistas PUD Agreement and the corresponding site plans of the developments.

The Meadowbrook Townhomes, Tollgate Ravines, and Brownstones at the Vistas were constructed approximately 15 years ago before the adoption of Chapter 26.5 of the City of Novi Code under the terms and conditions of the Vistas of Novi PUD. All three of the main roads at issue are required by the Vistas PUD Agreement and the corresponding site plans for each project to be constructed to public road standards and to be dedicated for public use and maintenance. Although the Vistas PUD Agreement requires that the developers of the projects post financial guarantees to ensure completion of the streets, no financial guarantees were ever posted. The PUD Agreement did not include specific requirements for the timing of completion and dedication of the streets. These streets were never physically completed, and the damages caused over time by heavy equipment during construction were never repaired, and the top courses of asphalt were not installed.

The petitioning property owners all about the three roads to be improved and accepted, and all have agreed, either as individual owners or as entities with apparent authority to do so (e.g., Homeowners Associations), to participate in the SAD. The estimate of the cost of doing the road improvements for the three roads is \$1,055,303.38. that amounts to \$1,536.10 per unit spread between the various benefitting parcels.

This matter has been on a City Council agenda on three previous occasions. Resolution #1, authorizing the City to begin the initial steps to investigate the improvements, was approved by the City Council on December 19, 2016. Resolution #2, declaring the necessity of the project and the City's *tentative* intent to proceed with the project and setting a public hearing, was adopted by March 13, 2017 on the Consent Agenda. The

objections by residents of Tollgate Woods I, II, and III, whose developments do not directly abut the three roads (except one lot in Tollgate Woods III). Council approved a resolution, Resolution #3, to proceed forward with creating a district and a roll, but with the expectation that staff would address further the issue of including the Tollgate Woods parcels.

City Administration is now recommending that the Tollgate Woods properties not be included in the SAD. Therefore, a revised Resolution #3 is attached for the purpose of amending the district and the properties included therein.

A separate Resolution #4 is also attached that includes the special assessment roll for Council's consideration. The roll includes the properties in the amended district, and lays out the costs per unit spread over a period of 15 years. If Council determines to proceed forward with the project, Resolution #4 sets a public hearing on the roll for June 19, 2017. If Council holds that hearing and determines to proceed, a Resolution #5 (the final resolution to proceed with the improvements) would be adopted following the public hearing.

One other item not addressed in the attached resolutions that came up at the initial public hearing in March is the status of two streets, Twain and Cummings, which are not included in the lists of streets that are to be improved under this SAD. Those two roads are "eyebrow" or marginal access roads that lie along Brownstone Drive. Brownstone is the main roadway (included in the SAD), and Twain and Cummings are the smaller roads that the homes actually "front" on. They were completed in 2008, but were not accepted as public because Brownstone Drive was not ready for acceptance. The intent was to accept them along with Brownstone Drive. While no improvements to Twain and Cummings are contemplated with the SAD, it is the City's intention to accept them at the same time it accepts Holmes, Brownstone, and Hemingway. It is also the City's intention to actually perform needed repair work on Twain and Cummings as soon as practical. All the other roads in Tollgate Ravines have already been accepted as public by the City. The interior roads in Meadowbrook Townhomes are to stay private.

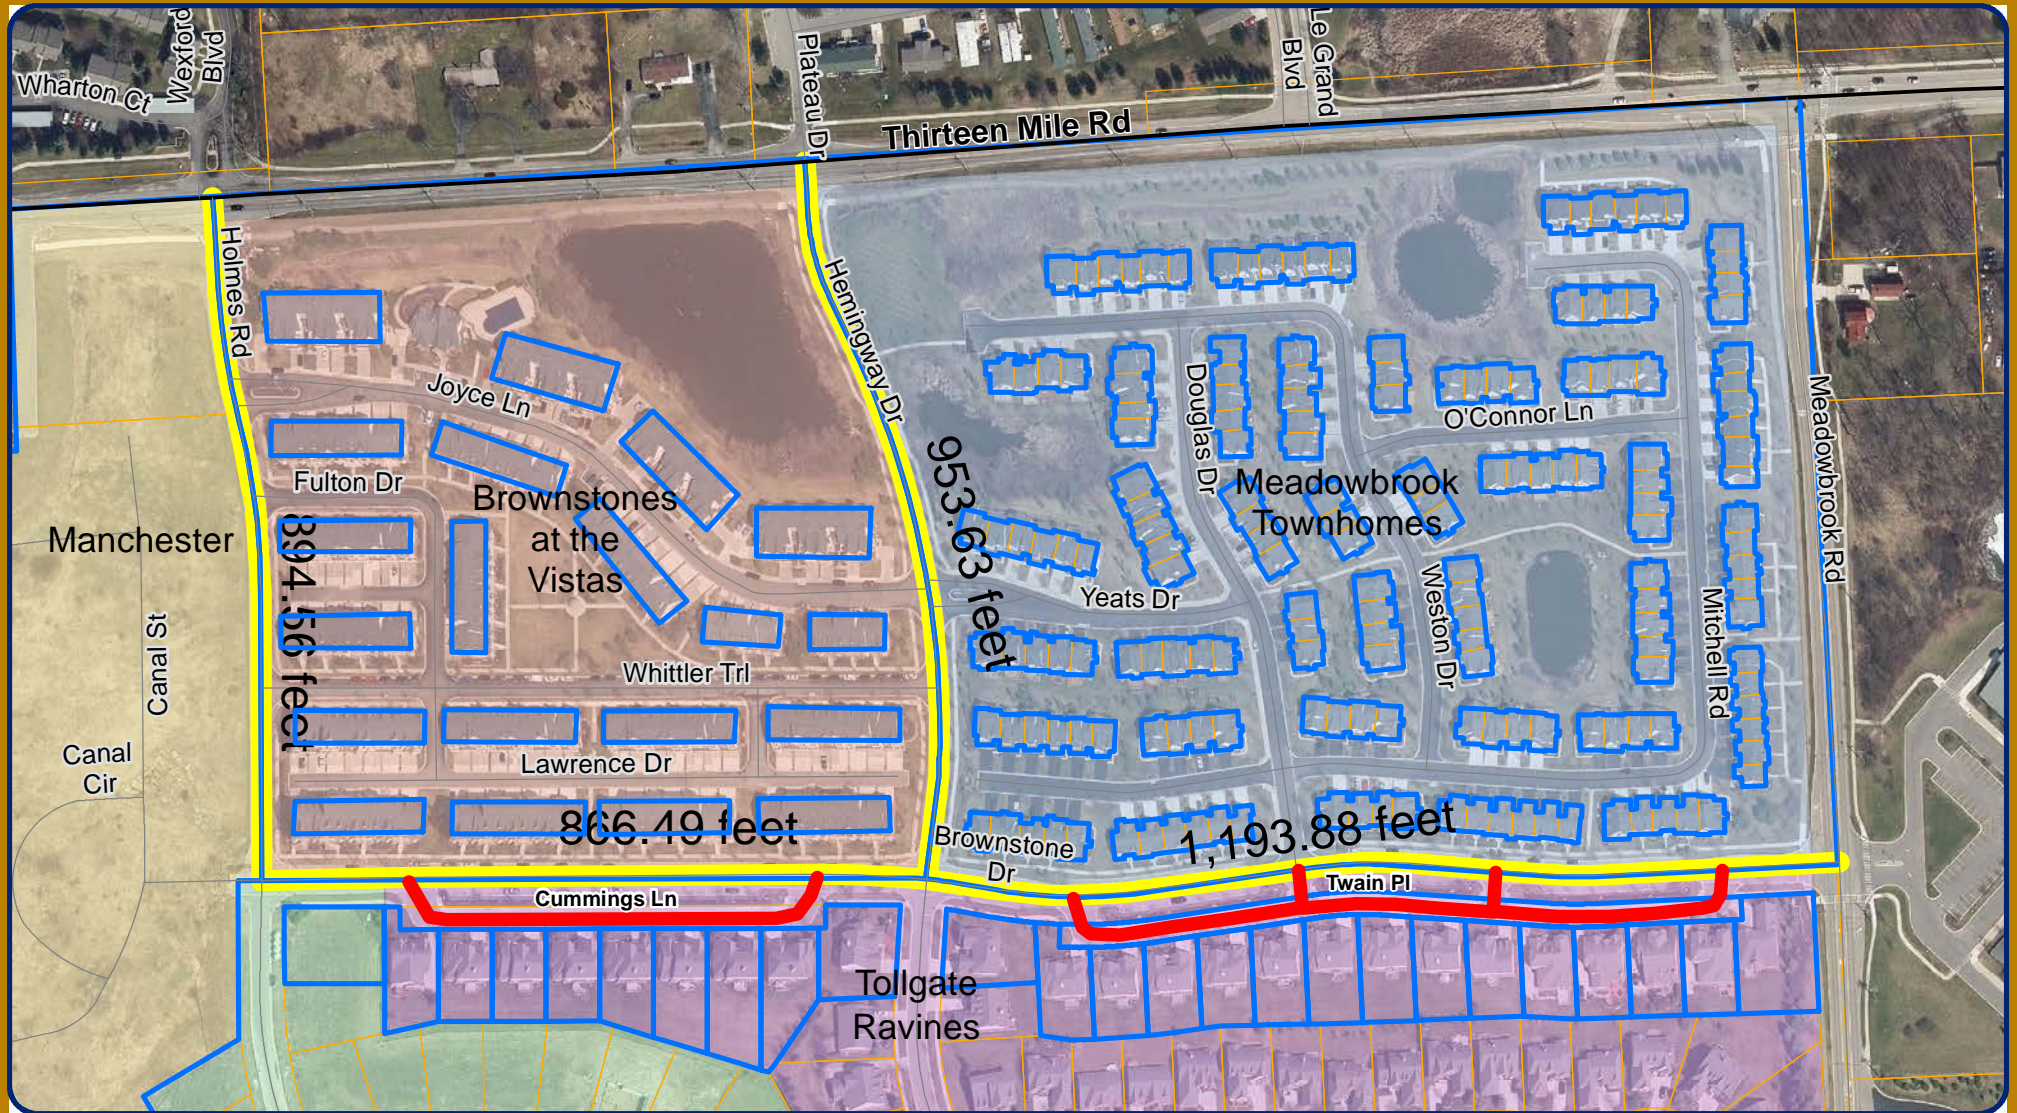

If the Council determines to proceed with this project, it is possible that the process could be completed by early summer and that construction could take place this season.

RECOMMENDED ACTION: Approval in connection with Special Assessment District 179 (Holmes Road, Hemingway Drive, Brownstones Drive within the Vistas of Novi PUD) of:

- a. **Amendment to Resolution #3**, approving preliminary plans and costs, establishing the district, and directing creation of an assessment roll; and
- b. **Approval of Resolution #4**, receiving the roll as prepared and setting the roll for public hearing

ESPECIALLY BENEFITED PROPERTIES**

(Amendment to Resolution No. 3)

RECITATIONS:

The City Council has considered construction of the proposed improvement described below (the "**Project**"), and has further requested the establishment of a special assessment district to finance and defray the cost of the Project.

The proposed improvement (the "**Project**") includes repairs to and/or reconstruction of the base course of paving and utility infrastructure within the road right-of-way and the subsequent installation of the final wearing course of paving for the roadways consisting of approximately 894.56 lineal feet of Holmes Road, approximately 953.63 lineal feet of Hemmingway Drive and approximately 2060.37 lineal feet of Brownstone Drive located in Section 11 of the City which will provide a benefit to two hundred and fifty-seven (257) parcels which were included in the Vistas of Novi Planned Unit Development.

The Project is designed and intended to especially benefit the properties identified in the special assessment district attached to this Resolution, which shall be designated as Special Assessment District No. 179 (the "**District**").

After an initial consideration, the City Council adopted its Resolution No. 2 declaring its tentative intent to proceed with the Project and with the establishment of the District.

Subsequent to a public hearing, City Council adopted Resolution No. 3 authorizing the City to proceed with the project, approving the cost estimate presented at the hearing, delineating the boundaries of the District, establishing the duration of the District, and directing the Assessor to prepare the Roll.

The City has reconsidered the boundaries of the District and seeks to amend the boundaries to exclude Tollgate Woods Subdivisions 1, 2 and 3 from the District.

Additionally, the City seeks to set the total number of installments and due date for the first installment.

NOW THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The District shall consist of the properties identified in the special assessment district attached to this Resolution and against which one hundred percent (100%) of the cost of the Project shall be assessed.

2. The amount assessed shall be assessed against the District in 15 installments, the first of which shall be due and payable with the summer 2018 taxes beginning on July 1, 2018, in the amount of \$1,536.10 per unit, payable without penalty on or before August 31, 2018.

3. The remainder of the actions set forth in Resolution No. 3 remain unchanged.

**RESOLUTION RECEIVING THE SPECIAL ASSESSMENT ROLL
AND SETTING PUBLIC HEARING ON THE ROLL**

(Resolution No. 4)

RECITATIONS:

The City Council has conducted a public hearing for construction of the proposed improvement described below (the "Project") and establishing a special assessment district to finance and defray the cost of the Project.

The Project includes repairs to and/or reconstruction of the base course of paving and utility infrastructure within the road right-of-way and the subsequent installation of the final wearing course of paving for the roadways consisting of approximately 894.56 lineal feet of Holmes Road, approximately 953.63 lineal feet of Hemmingway Drive and approximately 2060.37 lineal feet of Brownstone Drive located in Section 11 of the City which will provide a benefit to two hundred and fifty-seven (257) parcels which were included in the Vistas of Novi Planned Unit Development, further described in Exhibit A.

The Project is designed and intended to specially benefit the properties identified in the special assessment district attached to this Resolution, which shall be designated as Special Assessment District No. 179 (the "District").

Plans for the Project, the estimated cost of the Project in the amount of \$1,055,303.38, and the special assessment district have been approved by Resolution No. 3 of the City Council, and the Amendment to Resolution No. 3, following a public hearing.

In accordance with the direction of the City Council, the City Assessor has prepared a special assessment roll allocating the total cost of the Project to the properties within the District according to law, and the Assessor has filed such roll with the City Clerk.

NOW, THEREFORE, IT IS HEREBY RESOLVED AS FOLLOWS:

1. City Council receives the special assessment roll for purposes of public hearing.
2. The special assessment roll shall be filed in the City Clerk's office for public examination.

3. A public hearing is hereby set for June 19, 2017, to be held at 7:00 P.M. in the Civic Center of the City of Novi, 45175 Ten Mile Road, Novi, Michigan 48375, for hearing comments and objections by any interested person with respect to the special assessment roll. The City Council will review the roll and hear and consider comments and objections presented.

4. The Notice of the hearing shall be published once at least seven (7) full days before the hearing in a newspaper published or circulated within the City, and by sending by certified mail, return receipt not requested, a copy of the Notice addressed to the record owner or person having an interest in the property to be assessed as shown by the City's last preceding tax assessment roll for *ad valorem* tax purposes, at least twelve (12) days before the date of the hearing. The Notice of hearing shall include a statement that appearance and protest at the hearing in the special assessment proceedings is required in order to appeal the amount of the special assessment to the State Tax Tribunal and that an owner or party in interest or his or her agent may appear in person at the hearing to protest the special assessment or by filing his or her protest by letter, which then does not require his or her personal appearance. The Notice shall also specify whether the cost estimate for the Project has increased by five percent (5%) or more since the prior notice and if the cost estimate has so increase, the Notice shall include a card to be completed by the property owner or party in
