

CITY OF NOVI CITY COUNCIL
APRIL 12, 2021

SUBJECT: Appointments to Boards and Commissions

SUBMITTING DEPARTMENT: City Clerk

BACKGROUND INFORMATION: Joe Hurshe, former CEO of Ascension Health, served as a member of the Corridor Improvement Authority until his term expired on December 31, 2020. As Mr. Hurshe was not eligible to continue serving on the board, the position has been vacant since that time. Incoming Regional President and CEO, Brant Russell, has submitted his application for consideration of this partial term vacancy ending on December 31, 2024. Because this is a Mayoral appointment, Mr. Russell is not required to present in front of City Council. Attached please find Mr. Russell's application, along with the CIA page from the current Booklet List.

RECOMMENDED ACTION: Appointment of Brant Russell to the Corridor Improvement Authority for a term ending December 1, 2024.
