

CITY of NOVI CITY COUNCIL

**Agenda Item 4
August 24, 2015**

SUBJECT: Approval to award a construction contract for 2015 Neighborhood Road Program Contract 2 (Asphalt) to Cadillac Asphalt LLC, the low bidder, in the amount of \$1,209,822, subject to final review and approval of form of agreement by City Manager's office and the City Attorney.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division *BTC RFA*

CITY MANAGER APPROVAL: *[Signature]*

EXPENDITURE REQUIRED	\$ 1,209,821.50
AMOUNT BUDGETED	\$ 1,608,000.00
LINE ITEM NUMBER	203-203.00-865.435

BACKGROUND INFORMATION:

Each year, the City of Novi selects residential streets for reconstruction, repaving, repair, and/or rehabilitation based on PASER ratings, staff's field observations and resident concerns. The 2015 program consists of three separate contracts: Contract 1 for improvements to White Pines Drive (currently under construction), Contract 2 for asphalt streets, and Contract 3 for concrete streets (elsewhere on this agenda for consideration). Altogether, the City will be making an investment of \$3,700,000 in neighborhood streets this construction year.

One of the primary goals of the Department of Public Services' asset management program is the preservation of the City's roadways to prevent costly reconstruction. Novi's neighborhood road and preventative maintenance programs are intended to result in an overall improvement in the quality of the City's roadways and consequently increase the overall PASER rating for the roadway network. The neighborhood road program will typically address large sections of streets that require significant rehabilitation. Rehabilitation techniques that will be considered include standard methods, such as mill and overlay, partial-depth and full-depth joint repairs; and will also include other emerging technologies such as pavement interlayers, asphalt recycling, full-depth reclamation, and the use of other materials and methods that improve the strength of the pavement and resistance to reflective cracking. The objective is to preserve good quality roads using lower-cost rehabilitation techniques, rather than allowing the roads to deteriorate to a point that requires road reconstruction involving much more effort at a higher cost. This type of rehabilitation is intended to limit further deterioration of existing pavement defects, and extend the service life of the pavement.

The streets selected for this contract include all of the streets in Orchard Hills Subdivision as shown on the attached map.

Four bids were received and opened on August 12, 2015 following a public bid solicitation period. The lowest responsible bidder is Cadillac Asphalt. Cadillac's bid is recommended as being in the best interest of the City as it is responsive (i.e., Cadillac has complied with all requirements of the bidding instructions) and it is the lowest price. Cadillac has successfully completed work for the City in the past.

(OHM's award recommendation letter including the bid tabulation dated August 13, 2015 is attached). A summary of the four bids is as follows:

Contractor	Bid Price (including Crew Days)*
Cadillac Asphalt	\$1,251,421.50
Florence Cement Company	\$1,267,856.00
Ajax Paving Industries	\$1,288,761.40
Pro-Line Asphalt	\$1,328,619.00

* Crew Days are included to compare bids, but are not included in the award.

It is anticipated that this project will be completed by fall 2015.

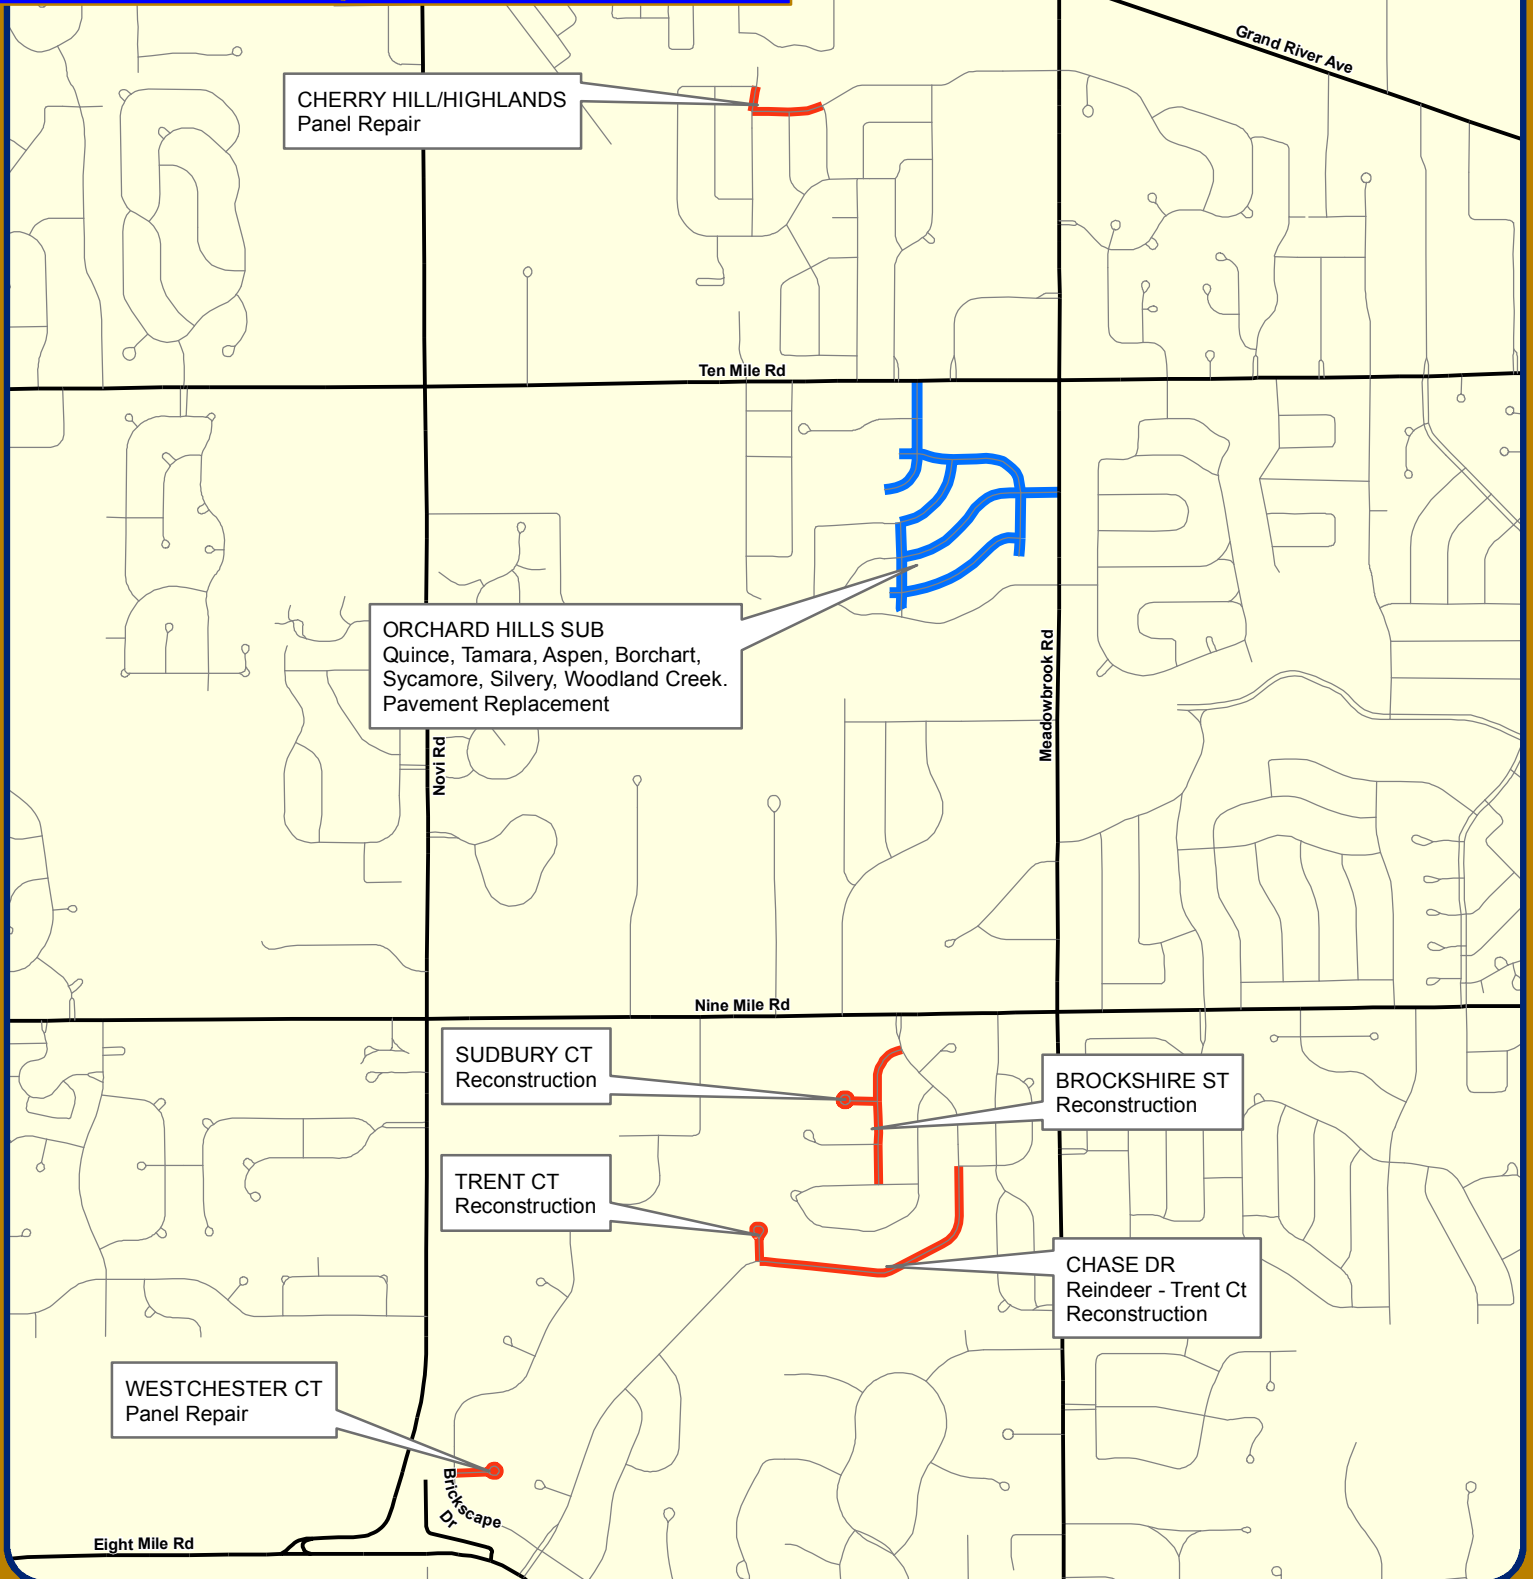

RECOMMENDED ACTION: Approval to award a construction contract for 2015 Neighborhood Road Program Contract 2 (Asphalt) to Cadillac Asphalt LLC, the low bidder, in the amount of \$1,209,822, subject to final review and approval of form of agreement by City Manager's office and the City Attorney.

Attention: Mr. Ben Croy, PE, Engineer

Regarding: 2015 Neighborhood Roads Asphalt Program
Recommendation of Award

Dear Mr. Croy:

Sealed bids for the 2015 Neighborhood Roads Asphalt Program were received and publicly read aloud by the City on Wednesday, August 12, 2015 at 2:00 pm. Proposals were received from four (4) bidders. The four (4) bidders and their bid amounts are summarized below and in the attached bid tabulation. The final Engineer’s Opinion of Construction Cost for this project was estimated to be \$1,319,000. Please note that these amounts listed below include the cost of crew days (inspector days) for the project.

Contractor	Amount
Cadillac Asphalt, LLC	\$1,251,421.50
Florence Cement Company	\$1,267,856.00
Ajax Paving Industries, Inc.	\$1,288,761.40
Pro-line Asphalt Paving Corporation	\$1,328,619.00

The project scope consists of reconstruction of the existing asphalt 2-lane roads (approximately 7,300 feet of roadway) within the Orchard Hills Subdivision, including other miscellaneous improvements such as minor swale grading, isolated driveway approach replacement, isolated culvert replacement, and related site restoration. The work to be completed under this Contract includes the furnishing of materials, equipment, and labor necessary to complete the proposed work, in accordance with the contract documents.

Cadillac Asphalt, LLC, located in Wixom, Michigan, is the apparent low bidder. They have successfully completed previous recent projects for OHM in multiple communities in Southeast Michigan, and have also worked previously on City of Novi projects. Based on our review of the bids submitted, and discussions with City staff, we recommend award of the 2015 Neighborhood Roads Asphalt Program project to Cadillac Asphalt, LLC, in the estimated award amount of **\$1,209,821.50**. Please note that this award amount is derived from the total bid amount of \$1,251,421.50, less the crew day cost of \$41,600, per the submitted unit price bid for the project by Cadillac Asphalt, LLC.

We look forward to continuing to provide our professional services on this project through the construction phase of work. If you have any questions, please do not hesitate to contact me at (734) 466-4439.

Sincerely,

OHM Advisors

Total Bid Amount:

\$ 1,251,421.50

If the foregoing Bid shall be accepted by the OWNER, the undersigned agrees to enter into the attached form of Agreement within ten (10) days after receiving notice of such acceptance, will furnish the OWNER satisfactory bonds and certificates of insurance coverage, and will complete the Project, at the price and within the time stated in this Bid.

The undersigned further agrees that if the foregoing Bid shall be accepted, work will commence immediately after the Contract has been awarded, the Agreement executed, and a Notice to Proceed received. **The undersigned shall complete the Work to Substantial Completion within 50 calendar days, and to Final Completion, including restoration and all punch list items, within 65 calendar days.**

The undersigned attaches hereto its Bid security, as required by the Advertisement for Bids and Instructions to Bidders. The undersigned agrees that in case it shall fail to fulfill its obligations under the foregoing Bid, and/or shall fail to furnish bonds, as specified, the OWNER may, at its option determine that the undersigned has abandoned its rights and interests in such Contract and that its Bid security accompanying its Bid; has been forfeited to the said OWNER, but otherwise the Bid security shall be returned to the undersigned upon the execution of the Contract and the acceptance of the bonds.

The undersigned also agrees that for each and every calendar day that he may be in default of Substantial Completion of the Work, within the time specified in this Bid, the OWNER will suffer a damage of NINE hundred dollars (\$900.00) per day, and said OWNER shall be compensated therefore at the rate as liquidated damages in accordance with the Agreement.

In submitting this Bid, it is understood that the right is reserved by the OWNER to accept any bid, to reject any or all Bids, and to waive irregularities in bidding in the interest of the OWNER.
