WALLED LAKE
LAKE IMPROVEMENT BOARD
MEETING MINUTES
April 11, 2017

The meeting of the Lake Improvement Board for Walled Lake was held in the Mayor's Conference Room at the Novi Civic Center at 45175 10 Mile Road on April 11, 2017. The meeting was called to order by Dave Galloway, Chairman, at 2:35 p.m.

Present: Casey Ambrose, City of Walled Lake
Hugh Crawford, Oakland County Board of Commissioners Representative
Dave Galloway, Chairman and Riparian Representative
Megan Mikus, Secretary-Treasurer, City of Novi
Karen Warren, Oakland County Water Resource Commissioner's Office

Absent: Mark Roberts (Attorney, Secret Wardle)

Also

Present: Victor Cardenas, City of Novi Assistant City Manager

Crawford arrived after agenda item V.

Chairman Galloway opened the meeting to public comment. There were no members of the public present.

Moved by Warren, Supported by Ambrose; CARRIED 4-0 (Crawford- Absent): To approve the Minutes of November 29, 2016 meeting.

Secretary-Treasurer Mikus presented the Treasurer's Reports for the first quarter of 2017. Mikus explained that the ending balance on hand from the Q4 2016 report was different than the starting balance on hand in Q1 2017 due to an invoice and assessment that were reconciled after the Q4 2016 report was made. The balance on hand as of March 31, 2017 is \$216,400.84

Moved by Warren, Supported by Ambrose; CARRIED 4-0 (Crawford- Absent): To accept the Treasurer's Report as presented.

Discussion

Galloway commented the water quality of the lake has been affected due to the debris from the road on the east side of the lake. Encouraging residents to plant gardens or to landscape helps prevent debris from running off into the lake. Additionally, Galloway remarked that an implementation of city ordinances regarding seawalls would help protect the lake.

Galloway provided a summary of the 2016 water quality testing report by Savin Lakes. The report highlighted that the dissolved oxygen values were great. The report showed that from 2014 to 2016 the water quality index at each site has been 80+, which is indication that the treatment is working. The treatments proposed for 2017 will start in the upcoming months.

Galloway requested financial support to attend the Michigan Lakes and Streams Association Conference in Thompsonville, Michigan on April 21 and 22. Previously, Galloway has paid to attend the conference out of pocket, but the fees have become too expensive. Crawford expressed support in attending the conference due to the wealth of information that will be presented. Mikus requested an oral report of Galloway's conference findings at the next meeting. The Board put forth approval to reimburse Galloway for his conference fee, housing, meals, and mileage at the maximum of \$700 once receipts have been received.

Moved by Crawford, Supported by Warren; CARRIED UNANIMOUSLY: To approve financial support for Chairman Galloway to attend the Michigan Lakes Conference in April 21 and April 22 at a maximum amount of \$700 for conference fee, housing, meals, and mileage.

Galloway opened public comment. As there were no members of the public, no comments were made.

ADJOURNMENT: There being was no further business to come before the Lake Improvement Board; the meeting was adjourned at 3:18 p.m.

The Board is set to schedule the next meeting for some time in September.

Megan Mikus, Secretary-Treasurer

Walled Lake Improvement Board

MEMORANDUM

TO: WALLED LAKE IMPROVEMENT BOARD MEMBERS

FROM: MEGAN MIKUS; SECRETARY/TREASURER *MM*

SUBJECT: CERTIFICATION OF DELINQUENT ASSESSMENTS

DATE: SEPTEMBER 14, 2017

On June 17, 2010, the Walled Lake Improvement Board approved Resolution #3 (attached) which confirmed the special assessment roll. Paragraph 6 of the resolution requires that the City Treasurer for each city report any delinquencies to the lake board including the parcel number and the amount of delinquency.

The attached report has been provided by the City Treasurer for Novi reporting that a total of \$2,104.06 is delinquent from 27 parcels is delinquent for the City of Novi. The interest on the delinquent assessments is set by paragraph 5 in Resolution #3 as 0.5% per month beginning February 14, 2017. The interest accrued through September 1 for Novi delinquent payments for the City of Novi is \$84.23. Walled Lake did not provide a report of delinquent assessments even though it was requested.

The Lake Board is required by paragraph 7 of Resolution #3 to “certify the delinquency to the City Assessing official for the City in which the property is located, who shall then report the delinquency to the City Council.” The delinquent sum and accrued penalties plus an additional penalty of six percent of the total amount reported would then be reassessed on the City’s annual tax roll.

A motion from the Lake Board is necessary to certify the delinquent amounts plus interest for the City Assessing official for each City.

Please let me know if you have any questions.

Mikus, Megan

From: Mikus, Megan
Sent: Friday, September 1, 2017 12:53 PM
To: 'treasurer@walledlake.com'; 'sbarlass@walledlake.com'; Glenn, Tina
Cc: Cardenas, Victor
Subject: Walled Lake Board Delinquent Assessments
Attachments: Resolution 3-Approve Assessment Roll.pdf

I am writing to remind you that according to [MCL 324.30916](#), the Treasurer for each City is required to provide a sworn statement listing the names of delinquent Lake Board Assessments and the amount of the delinquency including accrued interest and penalties to the Lake Board by September 1 for certification by the Board.

324.30916 Special assessments; collections.

Sec. 30916.

When any special assessment roll is confirmed, the lake board shall direct the assessments made in the roll to be collected. The clerk of each local unit of government involved shall then deliver to the treasurer of each local unit of government the special assessment roll, to which he or she shall attach his or her warrant commanding the treasurer to collect the assessments in the roll in accordance with the directions of the lake board. The warrant shall further require the treasurer, on September 1 following the date when any assessments or any part of an assessment have become due, to submit to the lake board a sworn statement setting forth the names of delinquent persons, if known, a description of the parcels of land upon which there are delinquent assessments, and the amount of the delinquency, including accrued interest and penalties computed to September 1 of the year. Upon receiving the special assessment roll and warrant, the treasurer shall collect the amounts assessed as they become due.

The attached Lake Board resolution provides additional information in this regard.

The Lake Board will meet September 19 to act on the delinquent roll.

Please let me know if you have any questions.

WALLED LAKE IMPROVEMENT BOARD

WALLED LAKE IMPROVEMENT BOARD SPECIAL ASSESSMENT DISTRICT

RESOLUTION CONFIRMING ASSESSMENT ROLL

RECITATIONS:

It has been determined that the Walled Lake Improvement Board will implement a five year aquatic weed control program for Walled Lake (the Project).

The Project is intended to make annual improvements to Walled Lake through the year 2015 at a total cost estimated to be \$518,615.00 for the benefit of the properties identified in Exhibit 1, which properties together shall constitute The Walled Lake Improvement Board Special Assessment District, hereinafter referred to as the "Lake Board SAD", and for administrative purposes to be known as SAD 175 in the City of Novi and SAD 175 in the City of Walled Lake.

Plans for the Project, the estimated cost of the Project, and the special assessment district boundaries were approved by Resolution of the Walled Lake Improvement Board following a public hearing on November 5, 2009. The Lake Board resolution further directed the Assessors for the City of Novi and for the City of Walled Lake to prepare a proposed assessment roll, which was considered by the Lake Board at its March 25, 2010 public hearing and the continuation of the public hearing on May 20, 2010.

In accordance with the direction of the Walled Lake Improvement Board following the March 25, 2010 public hearing and the continuation of the public hearing on May 20, 2010, the

City Assessors have prepared a revised special assessment roll allocating the total cost of the Project, less the City of Novi's voluntary contribution to the Project in the amount of \$30,000.00, to the property within the Lake Board SAD and the Assessors have filed such roll with the Lake Board.

A public hearing to review the revised special assessment roll was set and duly noticed in accordance with law for the purpose of hearing objections to the revised assessment roll.

The public hearing was conducted in accordance with the notice, and the Walled Lake Improvement Board determined that it would be appropriate to approve and confirm the revised assessment roll.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The revised special assessment roll for the Walled Lake improvement Board Project, the Lake Board SAD, in the total amount of \$488,615.00 (\$97,723.00 annually for years 2011 through 2015), attached as Exhibit 1 to this resolution, shall be and is hereby adopted and confirmed, and shall be collected from the properties benefited within the Lake Board District.

2. The Walled Lake Improvement Board Secretary/Treasurer is directed to endorse on the assessment roll the date of this confirmation.

3. All amounts of an assessment shall be assessed against each parcel of land in the Lake Board SAD as described on the Special Assessment Roll (Exhibit 1) to be due and payable in five installments, the first to be due on the 14th day of February, 2011, and the several subsequent installments shall be due and payable successively in intervals of twelve (12) months from the due date of the first installment.

4. The Clerks for the Cities of Novi and Walled Lake are directed to attach their warrants as required by law to the roll and to direct the roll, with their warrants attached, to the respective

City Treasurer. The City Treasurer for the Cities of Novi and Walled Lake shall thereupon collect the special assessment from those properties listed in Exhibit 1 which are located within each City's jurisdiction in accordance with the terms of this Resolution, the warrant, and the statutes of the State of Michigan.

5. Any portion of an assessment which has not been paid on or before the **14th** day of **February** of the tax year shall be considered delinquent by the City Treasurer for the City in which the property is located and shall accrue penalties at the rate of ½ of 1% for each month or fraction of a month that the assessment remains unpaid before being reported to the City Council for reassessment upon the City tax roll.

6. The City Treasurer shall report to the Lake Board on September 1 following the date when the assessment or any part of the assessment became due any delinquencies by submitting a sworn statement listing the names of the delinquent persons, if known, a description of the parcels of land upon which there are delinquent assessments, and the amount of the delinquency, including accrued penalties computed to September 1 of the year.

7. If the City Treasurer reports as delinquent any assessment or part of an assessment, the Lake Board shall certify the delinquency to the City Assessing official for the City in which the property is located, who shall then report the delinquency to the City Council in which the property is located to reassess on the City's annual tax roll of that year the delinquent sum and accrued penalties plus an additional penalty of six percent of the total amount reported.

AYES: Burke, Coburn, Galloway

NAYS: Potter

ABSTENTIONS: none

ABSENT: Warren

CERTIFICATION

It is hereby certified that the foregoing Resolution is a true and accurate copy of the Resolution adopted by the Walled Lake Improvement Board located within the Cities of Novi and Walled Lake at a meeting duly called and held on the 17th day of June, 2010.

Meeting with DNR Parks Chief and DNR Staff

Dear Friends of Michigan's Lakes and Streams,

On August 29, 2017 Michigan Waterfront Alliance board members Scott Brown (also the Executive Director of the Michigan Lake and Stream Associations), Lon Noreen (also Board member of the Michigan Lake and Stream Associations) and I were invited by the DNR to discuss the future of Michigan's Lakes and Streams as it pertains to the control and spread of Aquatic Invasive Species (AIS).

Representing the DNR were:

Ron Olson, Chief of Parks and Recreation and 6 members of the DNR staff.

After 1 & 1/2 hours of discussion it was suggested by **Parks Chief Ron Olson that a Task Force be created to bring together the DNR and other appropriate state agencies with the Michigan Waterfront Alliance to create effective strategies to address the impact, spread and control of AIS.**

I want to thank every individual and lake association that helped bring this meeting about by endorsing the Michigan Waterfront Alliance White Paper and sending it in to our lobbyist Karoub Associates. To date Karoub Associates has received 17,388 endorsements from individuals and lake association members.

Endorsements continue to come in and if you have yet to participate please go to this link <http://mwai.org/current-action-alert/> download and print the White Paper and send it in.

Please forward this email to your fellow lake association members and friends.

Sincerely,

Bob Frye Michigan Waterfront Alliance, President
