

CITY of NOVI CITY COUNCIL

**Agenda Item B
September 15, 2014**

SUBJECT: Approval of Traffic Control Order 14-18 requiring southbound traffic on Martin to stop at Linhart.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division ¹⁴ B1C

CITY MANAGER APPROVAL: *[Signature]*

BACKGROUND INFORMATION:

The intersection of Martin and Linhart was evaluated by Engineering staff as a result of an inquiry from a concerned resident. An inspection by City staff noted that the intersection lacked a stop or a yield sign to assign the right-of-way. Upon further review of the intersection, staff noted that the intersection should not continue to function as an uncontrolled intersection because there is a lack of adequate sight distance at this location, as shown on the attached figure. Based on the field review by staff, a stop sign for southbound Martin is recommended.

Staff has prepared a traffic control order to support the installation of a stop sign for southbound Martin at Linhart. Traffic control orders are required under the Uniform Traffic Code to enforce traffic control signs that have been installed.

RECOMMENDED ACTION: Approval of Traffic Control Order 14-18 requiring southbound traffic on Martin to stop at Linhart.
