SUBMITTING DEPARTMENT:

CITY MANAGER APPROVAL: *KPA*

BACKGROUND INFORMATION:

The City last amended its poverty tax exemption ordinance in 2003. This ordinance, authorized and required by statute, MCL 211.7u, sets forth the financial requirements a homeowner must meet to obtain property tax relief due to financial circumstances.

Since 2003, there has been a statutory language change from "homestead" to "principal residence" (both meaning the homeowner's home to which they intend to return if absent), and the State Tax Commission has issued guidance requiring that each municipality include an asset test which does not include the value of "principal residence" sought to be exempted as a part of its considerations. While the City did have an asset test, the test included as a consideration (in the proposed to be removed Sec. 2-193.5 (a)) the value of the "principal residence".

The City's Board of Review met and discussed the parameters of what should be included. Those discussions resulted in the new proposed Sec. 2-193.7. It should be noted that the Board of Review still has the option to deviate from the asset test limits if there are extenuating circumstances.

Other revisions relate to the replacement of the term "homestead" with the phrase "principal residence", and other grammar and editorial changes to help readability, appropriate internal references, and consistency with the form of other City ordinances.

RECOMMENDED ACTION: Approve Introduction of Ordinance No. 19-156.03, an Ordinance To Amend the City of Novi Code of Ordinances, Chapter 2, "Administration", Article V, "Boards And Commissions", Division 3, "Board of Review" Sections 2-193, And 2-193.1 Through 2-193.6, relating to poverty exemptions in order to comply with state law requirements and to add an asset test. **FIRST READING**
