

CITY of NOVI CITY COUNCIL

Agenda Item 2
March 9, 2015

SUBJECT: Approval to award a construction contract for the West Road Rehabilitation project to Asphalt Specialists, Inc., the low bidder, in the amount of \$153,511, subject to final review and approval of form of agreement by City Manager's office and the City Attorney.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division *RA*

CITY MANAGER APPROVAL: *[Signature]*

EXPENDITURE REQUIRED	\$ 153,511.05
AMOUNT BUDGETED	\$ 154,250.00
LINE ITEM NUMBER	202-202.00-865.674

BACKGROUND INFORMATION:

This project includes the rehabilitation of West Road between West Park Drive and the City limits. The rehabilitation will include a mill and overlay and the addition of a pavement interlayer for the western 700 feet of this section of road that is in poor condition. The eastern portion of the road is in better condition and will only require some minor crack treatment.

Six bids were received and opened on February 25, 2015 following a public bid solicitation period. The lowest responsible bidder is Asphalt Specialists, Inc. (ASI). ASI's bid is recommended as being in the best interest of the City as it is responsive (i.e., ASI has complied with all requirements of the bidding instructions) and it is the lowest price. (SDA's award recommendation letter including the bid tabulation dated February 27, 2015 is attached). A summary of the six bids is as follows:

Contractor	Bid Price (including Crew Days)*
Asphalt Specialists	\$163,751.05
Pro-Line Corporation	\$173,637.00
Cadillac Asphalt	\$182,912.70
Florence Cement	\$186,137.41
Eastern Asphalt	\$190,646.93
Nagle Paving Company	\$206,487.90

* Crew Days are included to compare bids, but are not included in the award.

The construction engineering services award is proposed for consideration elsewhere on this agenda. It is anticipated that this project will be completed by summer 2015.

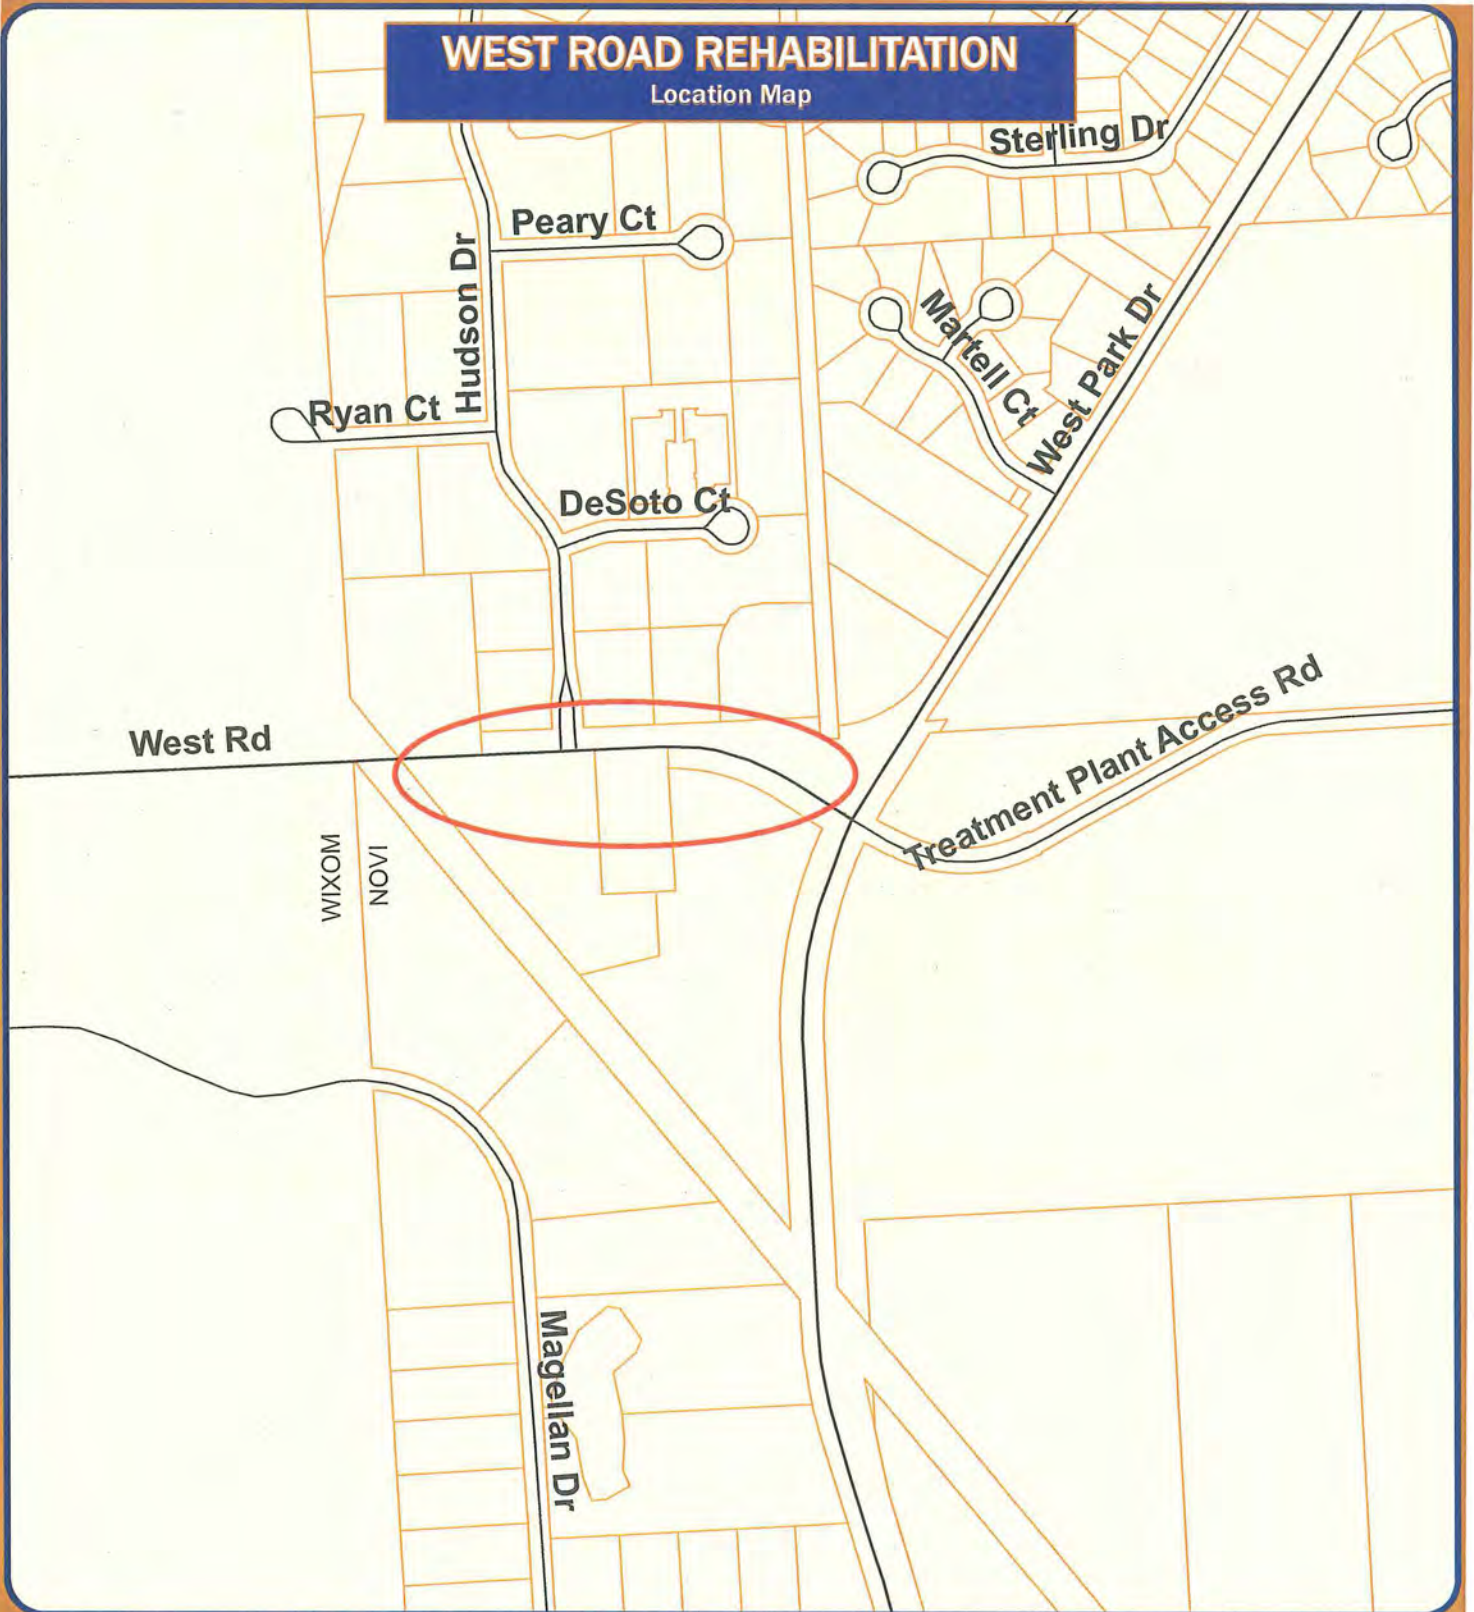

RECOMMENDED ACTION: Approval to award a construction contract for the West Road Rehabilitation project to Asphalt Specialists, Inc., the low bidder, in the amount of \$153,511, subject to final review and approval of form of agreement by City Manager's office and the City Attorney.

Re: **Recommendation for Award**
West Road Rehabilitation
SDA Project No.: NV14005

Dear Mr. Croy:

On February 25, 2015 at 2:00 p.m., construction bids were opened and publicly read at the City of Novi Civic Center for the West Road Rehabilitation project. The project includes asphalt milling and overlay, and concrete road rehabilitation, including ADA sidewalk ramp improvements.

The City Clerk's office received six (6) sealed bids for this project, with each bidder considered to be responsive having submitted a bid compliant with all requirements. The apparent low bidder, Asphalt Specialists, Inc., submitted a total bid of \$163,751.05. Following the bid opening, Spalding DeDecker reviewed all of the bids received, verified the calculations, and prepared the bid tabulation for the project (attached).

Based on a review of experience and references provided, Spalding DeDecker finds that Asphalt Specialists, Inc. is qualified to perform the required construction.

It is our recommendation that the project be awarded to the low bidder, Asphalt Specialists, Inc., for the West Road Rehabilitation project in the amount of \$153,511.05, which is the total bid of \$163,751.05 minus \$10,240.00 for crew days bid.

Upon award by the City Council, our office will coordinate the completion of the Contract Agreement, Bonds, and Insurance information with Asphalt Specialists, Inc..

Very Truly Yours,
SPALDING DEDECKER

Edward Strada, PE
Project Manager
