SUBMISSION OF BID

To be considered, bids must be submitted, as specified in the Instruction section, on or before the specified time and date. There will be no exceptions to this requirement. Faxed, emailed, or telephone bids are not acceptable.

Bids must be signed by an Authorized Representative of the submitting company on the enclosed form when one is provided. Bids must show unit and total prices when requested. In case of mistakes in price extension, unit pricing shall govern. *ANY CHANGES MADE ON THE BID FORM MUST BE INITIALED OR YOUR BID MAY BE CONSIDERED NON-RESPONSIVE.*

A bid may be withdrawn by giving written notice to the Purchasing Manager before the stated due date/closing time. After the stated closing time, the bid may not be withdrawn or canceled for a period of One Hundred and Twenty (120) days from closing time.

Bidders are expected to examine all specifications and instructions. Failure to do so will be at the bidder's risk.

Failure to include in the bid all information requested may be cause for rejection of the bid.

No bid will be accepted from, or contract awarded to any person, firm, or corporation that is in arrears or is in default to the City of Novi upon any debt or contract, or that is in default as surety or otherwise, or failed to perform faithfully any previous contract with the City.

CONSIDERATION OF BIDS

In cases where items are requested by a manufacturer's name, trade name, catalog number or reference, it is understood that the bidder/proposer intends to furnish the item so identified or an item of "equal" quality and value as determined by the City of Novi.

Reference to any of the above is intended to be descriptive, but not restrictive, and only indicates articles that will be satisfactory. Bids of "equal" quality and value will be considered, provided that the bidder states in his/her bid what he/she proposed to furnish, including literature, or other descriptive matter which will clearly indicate the character of the item covered by such bid.

The Purchasing Manager hereby reserves the right to approve as an "equal", any item proposed which contains minor or major variations from specification requirements, but which may comply substantially therewith.

RESPONSIVE BIDS

All pages and the information requested herein shall be furnished completely in compliance with instructions. The manner and format of submission is essential to permit

prompt evaluation of all bids on a fair and uniform basis. Unit prices shall be submitted if space is provided on bid form. In cases of mistakes in extension, the unit price shall govern. Accordingly, the City reserves the right to declare as non-responsive, and reject an incomplete bid if material information requested is not furnished, or where indirect or incomplete answers or information is not provided. Any exceptions to the specifications must be noted on the bid form.

EXCEPTIONS

The City will not accept changes or exceptions to the bid documents/specifications unless Contractor indicates the change or exception in the "Exceptions" section of the bid form. If Contractor neglects to make the notation on the bid form but writes it somewhere else within the bid documents and is awarded the contract, the change or exception will not be included as part of the contract. The original terms, conditions and specifications of the bid documents will be applicable during the term of the contract.

CONTRACT AWARD

The contract will be awarded to that responsible, responsive bidder whose bid, conforming to this solicitation, will be most advantageous to the City of Novi. Qualifications, experience, references, comparable projects, price, previous experience with vendor/contractor, delivery, and other factors will be considered in the evaluation process and award of contract. The City reserves the right to accept any or all alternative bids and award the contract to other than the lowest bidder, to waive any irregularities or informalities or both; to reject any or all bids; and in general to make the award of the contract in any manner deemed by the City, in its sole discretion, to be in the best interest of the City of Novi.

After contract award, a summary of total price information for all submissions will be posted on the MITN website at www.mitn.info.

The City may, from time to time, find it necessary to continue this contract on a month-to-month basis only, not to exceed a six (6) month period. Such month-to-month extended periods shall be by mutual agreement of both parties, with all provisions of the original contract or any extension thereof remaining in full force and effect.

The following exception shall apply to installation projects: When sales tax is charged to the successful bidder for materials to be installed during the project, that cost shall be included in the "Complete for the sum of" bid price and not charged as a separate line item. The City is not tax exempt in this case and cannot issue an exemption certificate.

CONTRACT TERMINATION

The City may terminate and/or cancel this contract (or any part thereof) at any time during the term, any renewal, or any extension of this contract, upon thirty days (30) days written notice to the Contractor, for any reason, including convenience without incurring obligation or penalty of any kind. The effective date for termination or cancellation shall be clearly stated in the written notice.

TRANSFER OF CONTRACT/SUBCONTRACTING

The successful bidder will be prohibited from assigning, transferring, converting or otherwise disposing of the contract agreement to any other person, company or corporation without the expressed written consent of the City of Novi. Any subcontractor, so approved, shall be bound by the terms and conditions of the contract. The contractor shall be fully liable for all acts and omissions of its subcontractor(s) and shall indemnify the City of Novi for such acts or omissions.

NON-DISCRIMINATION

In the hiring of employees for the performance of work described in this ITB and subsequent contract, neither the contractor, subcontractor, nor any person acting in their behalf shall by reason of religion, race, color, national origin, age, sex, height, weight, handicap, ancestry, place of birth, sexual preference or marital status discriminate against any person qualified to perform the work required in the execution of the contract.

ACCEPTANCE OF BID CONTENT

Should a contract ensue, the contents of the bid of the successful Bidder may become contractual obligations. Failure of a contractor to accept these obligations may result in cancellation of the award.

DISCLOSURE

All documents, specifications, and correspondence submitted to the City of Novi become the property of the City of Novi and are subject to disclosure under the provisions of Public Act No. 442 of 1976 known as the "Freedom of Information Act". This Act also provides for the complete disclosure of contracts and attachments hereto. This means that any informational material submitted as part of this ITB is available without redaction to any individual or organization upon request.

ECONOMY OF PREPARATION

Bids should be prepared simply and economically, providing a straightforward and concise description of the bidder's ability to meet the requirements of the bid. Emphasis should be on completeness and clarity of content. Included in the response must be a point by point response to the Requirements and other sections of the bid.

The City of Novi is not liable for any costs incurred by bidders prior to issuance of a contract.

INDEPENDENT PRICE DETERMINATION

By submission of a bid, the offeror certifies, and in case of a joint bid, each party hereto certifies as to its own organization, that in connection with the bid:

- (a) The prices in the bid have been arrived at independently without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other offeror or with any other Competitor; and
- (b) No attempt has been made or will be made by the offeror to induce any other person or firm to submit or not submit a bid for the purpose of restricting competition.

Each person signing the bid certifies that:

- (c) He is the person in the offeror's organization responsible within that organization for the decision as to prices being offered in the bid and that he has not participated and will not participate in any action contrary to (a) and (b) above; or
- (d) He is not the person in the offeror's organization responsible within that organization for the decision as to prices being offered in the bid but that he has been authorized in writing to act as agent for the persons responsible for such decisions in verifying that such persons have not participated, and will not participate, in any action contrary to (a) and (b) above, and that as their agent, does hereby so certify; and that he has not participated, and will not participate in any action contrary to (a) and (b) above.

A bid will not be considered for award if the sense of the statements required in the bid has been altered so as to delete or modify the above.

CITY OF NOVI
UNIFORMS – POLICE AND FIRE
SPECIFICATIONS

SCOPE OF WORK

The City of Novi is seeking sealed bids to provide Police and Fire Department uniforms. It is the City's intent to make an award to one vendor who will provide all of the items included on the bid forms.

TYPE OF CONTRACT

The initial contract period will be for two (2) years. Upon mutual consent of the City of Novi and the successful bidder, the contract may be renewed three (3) times in one (1) year increments.

ESTIMATED QUANTITIES

Police Department currently has 48 staff members who are supplied with uniforms. Fire Department has 96 staff members who are supplied with uniforms. These numbers may change during contract period.

New recruits are issued a set of uniform items and accessories according to their union contract. In the spring and fall of each year, each department places an order for uniform items needing replacements due to wear, damage, or fit problems. There may be additional smaller orders throughout the year.

MEASURING

Measuring for all uniforms will be provided on-site at the Novi Police Department (45125 Ten Mile Road, Novi MI 48375) and the Novi Fire Department Station #1 (42975 Grand River Ave., Novi MI). Vendor may be required to bring samples for sizing to the measurement appointment. These appointments will be arranged by the departments.

TAILORING

Tailoring will be provided to ensure that the garments fit each employee properly. *All additional alteration and fitting costs will be borne by the bidder, except for oversize items for Fire Department as shown on the bid form.* Bidder will make every effort to satisfy the reasonable desires of each employee. Should a disagreement arise between the bidder and an employee, the bidder agrees to settle the dispute in a manner which satisfies the City of Novi designated employees. Successful bidder will be responsible for pick-up and delivery of the items from the department if the problem is deemed to be the quality of tailoring.

DELIVERY

Uniforms will be delivered to the appropriate Department. Each item will be packaged and clearly marked with the employee to whom it belongs.

Delivery of uniform items is expected within 14 working days. The successful bidder must immediately notify the appropriate department if extraordinary circumstances cause extended delivery time. Failure by the supplier to deliver within the stated time may result in termination of the contract.

FREIGHT/ DELIVERY CHARGES

All delivery and/or freight charges are to be included in the unit pricing of the bid items. All bid pricing is to be quoted as F.O. B. delivered.

INSURANCE

A certificate of insurance naming the City of Novi as an additional insured must be provided by the successful bidder prior to commencement of work. A current certificate of insurance meeting the requirements in Attachment A is to be provided to the City and remain in force during the entire contract period.

TAX EXEMPTION

It is understood that the City of Novi is a governmental unit, and as such, is exempt from the payment of all Michigan State Sales and Federal Excise taxes. Do not include such taxes in the bid prices. The City will furnish the successful bidder with a tax exemption certificate when requested. The City's tax-exempt number is 38-6032551.

INVOICING/PAYMENT TERMS

Invoices will be sent to the Finance Department after uniforms have been delivered. The invoice will be processed and every effort will be made to make payment within 30 days. Problems with an order or an incorrect invoice may cause a delayed payment.

Invoices may be mailed to: City of Novi, Attn: Finance Department, 45175 Ten Mile Road, Novi, MI 48375 or emailed to: invoices@cityofnovi.org. *This email is to be used for invoices and statements only and not for any other type of communication or sales. We are unable to respond to any inquiries from this email.*
