

# CITY of NOVI CITY COUNCIL

**Agenda Item B**  
**October 26, 2015**

**SUBJECT:** Approval to set a public hearing on November 23, 2015 on the Collection and Disposal of Solid Waste: Refuse, Recyclables & Yard Waste and Other Services proposed Request for Proposals.

**SUBMITTING DEPARTMENT:** City Manager

**CITY MANAGER APPROVAL:** 

**BACKGROUND INFORMATION:**

Administration extensively reviewed all sources of information leading up to City Council approving and adopting in August a one-hauler system through the ordinance procedures proscribed by the State of Michigan Law. This action allowed the development of a Request for Proposals (RFP) while simultaneously receiving public comments and concerns including offering two public information sessions and online surveys. One consistent theme heard is the ability for the public to have the opportunity to review what services the City is bidding prior to City Council approving a company for Administration and the City Attorney to negotiate a contract.

Realizing a change of this magnitude can make the populace uneasy; Administration is requesting City Council hold a Public Hearing on the proposed RFP prior to the City advertising the RFP to perspective suppliers. If this public hearing is approved by City Council, the proposed RFP will be available to the public on the City's website and on file with the City Clerk for review.

**RECOMMENDED ACTION:** Approval to set a public hearing on November 23, 2015 on the Collection and Disposal of Solid Waste: Refuse, Recyclables & Yard Waste and Other Services proposed Request for Proposals.
