

# CITY of NOVI CITY COUNCIL

**Agenda Item G**  
**March 9, 2015**

**SUBJECT:** Approval to award an amendment to the engineering services agreement with Spalding DeDecker Associates for construction engineering services for the West Road Rehabilitation project in the amount of \$19,451.

**SUBMITTING DEPARTMENT:** Department of Public Services, Engineering Division *BTC RA*

**CITY MANAGER APPROVAL:** *[Signature]*

<b>EXPENDITURE REQUIRED</b>	<b>\$ 19,451</b>
<b>AMOUNT BUDGETED</b>	<b>\$ 42,679</b>
<b>LINE ITEM NUMBER</b>	<b>202-202.00-805.674</b>

**BACKGROUND INFORMATION:**

This project includes the rehabilitation of West Road between West Park Drive and the City limits. The rehabilitation will include a mill and overlay and the addition of a pavement interlayer for the western 700 feet of this section of road that is in poor condition. The eastern portion of the road is in better condition and will only require some minor crack treatment.

The construction phase engineering fees are determined using two components: 1) the contract administration fee, which is determined using the fee percentage in Exhibit B of the Agreement For Professional Engineering Services for Public Projects, and 2) the construction inspection fee determined using a cost per inspection (crew) day from Exhibit B of the consultant's agreement that is then multiplied by the number of days of inspection specified by the contractor. The construction phase fees for this project include a contract administration fee of \$9,210.66 (6% of the \$153,511.05 construction bid) and an inspection fee of \$10,240 (\$640 per crew day, multiplied by the 16 days provided in the contractor's bid) for a total fee of \$19,450.66.

The construction contract award is proposed for consideration elsewhere on this agenda. It is anticipated that this project will be completed by summer 2015.

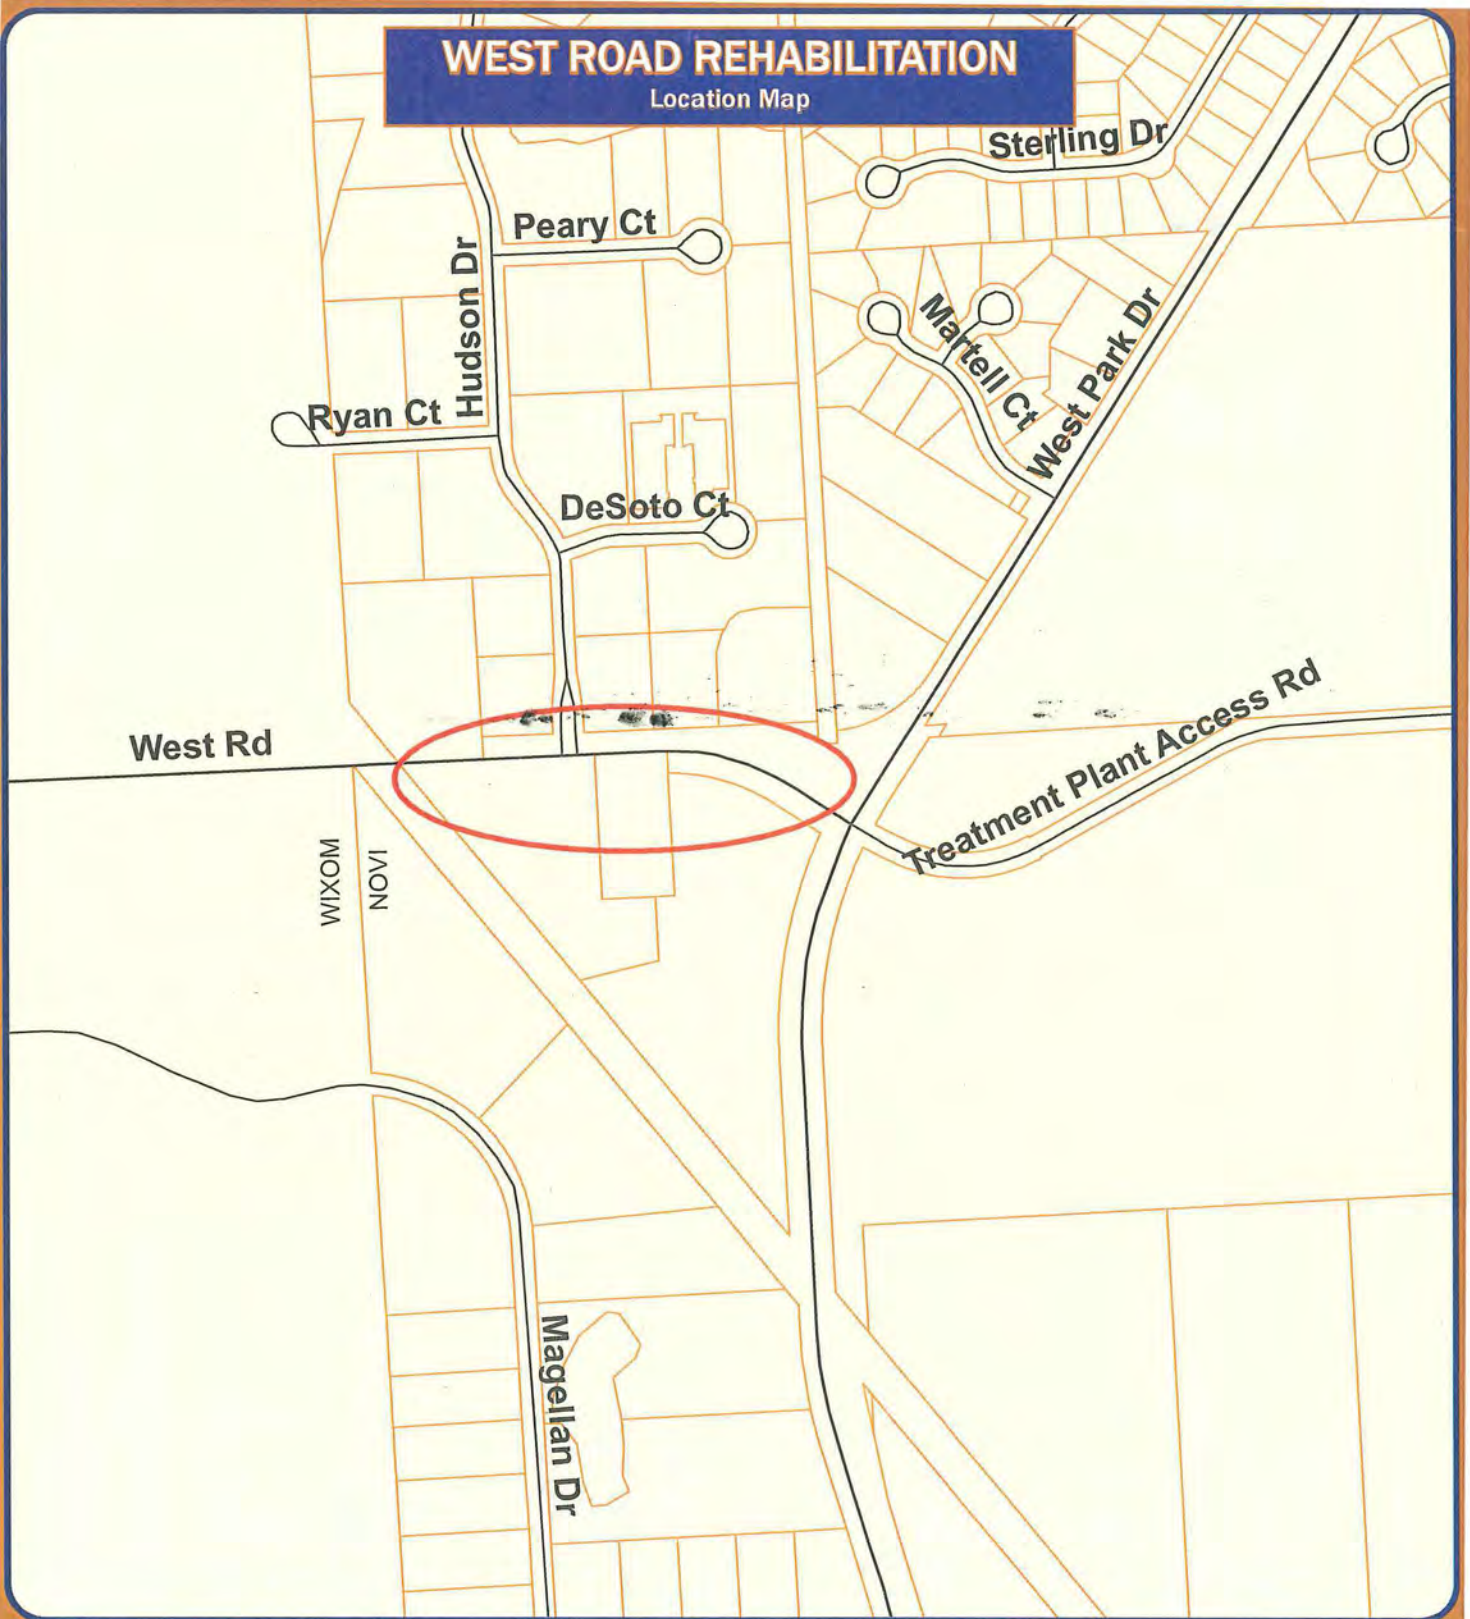

**RECOMMENDED ACTION:** Approval to award an amendment to the engineering services agreement with Spalding DeDecker Associates for construction engineering services for the West Road Rehabilitation project in the amount of \$19,451.

**FIRST AMENDMENT TO THE  
SUPPLEMENTAL PROFESSIONAL ENGINEERING SERVICES AGREEMENT**

**WEST ROAD REHABILITATION – WEST PARK DRIVE TO CITY LIMITS**

First Amended Agreement between the City of Novi, 45175 W. Ten Mile Road, Novi, MI 48375-3024, hereafter, “City,” and Spalding DeDecker Associates, Inc., whose address is 905 South Boulevard East, Rochester Hills, MI 48307, hereafter, “Consultant,” relating to modifications of the fee basis for engineering services. The following sections of the Supplemental Professional Engineering Services Agreement, as made and entered into on August 25, 2014 shall be amended as follows:

**Section 2. Payment for Professional Engineering Services,** The following Paragraphs shall be amended as follows:

1. **Basic Fee.**

a. *Unchanged*

b. Delete 1.b. in its entirety and replace with the following language:  
Construction Phase Services: The Consultant shall complete the construction phase services as described herein according to the fee schedule as described below:

i. Contract Administration: The Consultant shall complete Contract Administration services for a lump sum fee of \$9,210.66, which is 6.0% of the awarded construction cost (\$153,511.05) as indicated on the Design and Construction Engineering Fee Curve.

ii. Construction Inspection: The Consultant shall complete Construction Inspection services for \$640 per crew day as described in the request for proposals. “Crew days” shall be defined by the construction contract documents as an 8 hour day. Crew days shall be billed in 4 hour increments rounded to the next half day, therefore a 10 hour day shall be 1.5 crew days, a 3 hour day is 0.5 crew days, a 6 hour day shall be 1.0 crew days. The minimum crew day charged for a no-show by the contractor shall be 2 hours (0.25 crew days) which is reflective of the actual cost to the Consultant for traveling to the site and traveling back to the office. There will be no payment to the consultant for extra crew days that were not charged to the contractor. The Consultant acknowledges that intent of using crew days for inspection services is to provide a method for the consultant to recoup costs associated with slow progress by the contractor.

2. *Unchanged*

Except as specifically set forth in this First Amendment, the Supplemental Professional Engineering Services Agreement remains in full force and effect.
