SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division

CITY MANAGER APPROVAL: 

EXPENDITURE REQUIRED	\$ 240.39
AMOUNT BUDGETED	\$ 1,004,307.00
LINE ITEM NUMBER	204-204.00-974.446

BACKGROUND INFORMATION:

The Pontiac Trail Sidewalk project (Segment 9) requires the acquisition of several easements prior to construction. The segment was ranked 2nd in the 2014 update of the Annual Non-Motorized Prioritization list and is certainly a much needed improvement for the residents and businesses in that area.

During the design process, one permanent easement and one temporary easement were identified from Oakland Development Limited Partnership (parcel 50-22-04-200-011). The enclosed Request for Donation was sent to the property owner requesting a donation of the permanent sidewalk easement and the temporary grading permit. The letter informed the property owner that they are entitled to just compensation for the fair market value of the requested easements.

To formalize the valuation in the form of an offer, staff has worked with the City Attorney to prepare an Agreement of Sale and Offer to Purchase Easements over Real Property. The City Attorney has also prepared a Resolution Concerning the Acquisition of Property and Approving Declaration of Necessity and Taking and Declaration of Taking to allow the City to begin proceedings to acquire the easements through eminent domain in case the City is unable to acquire the easements for the amounts stated in the offer letter.

The construction of the Pontiac Trail sidewalk from Beck Road to West Park Drive is scheduled to occur in 2018.

RECOMMENDED ACTION: Approval of (1) a Resolution Concerning Acquisition and Approving Declaration of Necessity and Taking and authorization of Offer to Purchase; (2) a Declaration of Taking; and, (3) an Agreement of Sale and Offer to Purchase Easements over Real Property in the amount of \$240.39 for sidewalk easements and temporary grading permits on parcel (50-22-04-200-011) for the construction of new sidewalk along the south side of Pontiac Trail between Beck Road and West Park Drive.

Re: Proposed Pontiac Trail Sidewalk Project
Sidewalk Easements – Request for Donation

Mr. Schrader:

As you are aware, the City is planning to construct a pathway along the south side of Pontiac Trail, between Beck Road and West Park Drive. The proposed pathway is planned to cross two parcels owned by Occidental Development and one parcel owned by Oakland Development. The project will require permanent easements for the sidewalk and storm sewer and temporary easements during the construction phase. The proposed easement language and tentative plan for the sidewalk are enclosed for your review.

The City is asking that the easements be donated in an effort to minimize costs for the project. A property owner may choose to donate all or a portion of his or her property that is needed for a project.

The fair market value for the easements was determined based on the value of the property per square foot on the basis of assessment records and related information. We then multiplied that by the area of the proposed easement (per federal guidelines). MDOT and Federal guidelines require that the valuation of temporary easements be set at 10% of that value, and that permanent easements be set at 50% of that value. The valuation for easements over all of the parcels is estimated to be a total of \$31,339.32 (see attached Valuation Statements for each individual parcel). **This is not a good faith offer, but an estimated valuation of the requested donation.**

If you are satisfied with the enclosed easement documents and valuation statement and choose to donate the easements, please return one signed, notarized copy of each document for approval by our City Council and subsequent recording with the Register of Deeds. If you choose not to donate the easements for the project, please contact me by September 15th to discuss the next steps in the easement acquisition process.

Thank you for your cooperation in moving this project forward and please contact me at 248-735-5648 with any questions.

Sincerely,

Joey Mathias
