

CITY of NOVI CITY COUNCIL

**Agenda Item I
June 4, 2018**

SUBJECT: Approval of Traffic Control Orders 18-01 through 18-05 for traffic control signs on Chase Drive.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division

CITY MANAGER APPROVAL: 

BACKGROUND INFORMATION:

The Chase Farms Homeowners Association has requested that the City relocate two stop signs in their subdivision. The request is to remove both north and southbound Chase Drive stop signs at Oxford Court and relocate them to the intersection of Ashbury Drive. Chase Drive and Oxford Court would transition from a three-way stop to a one-way stop for traffic exiting Oxford Court onto Chase Drive. Chase Drive and Ashbury Drive would then transition from a two-way to a four-way stop.

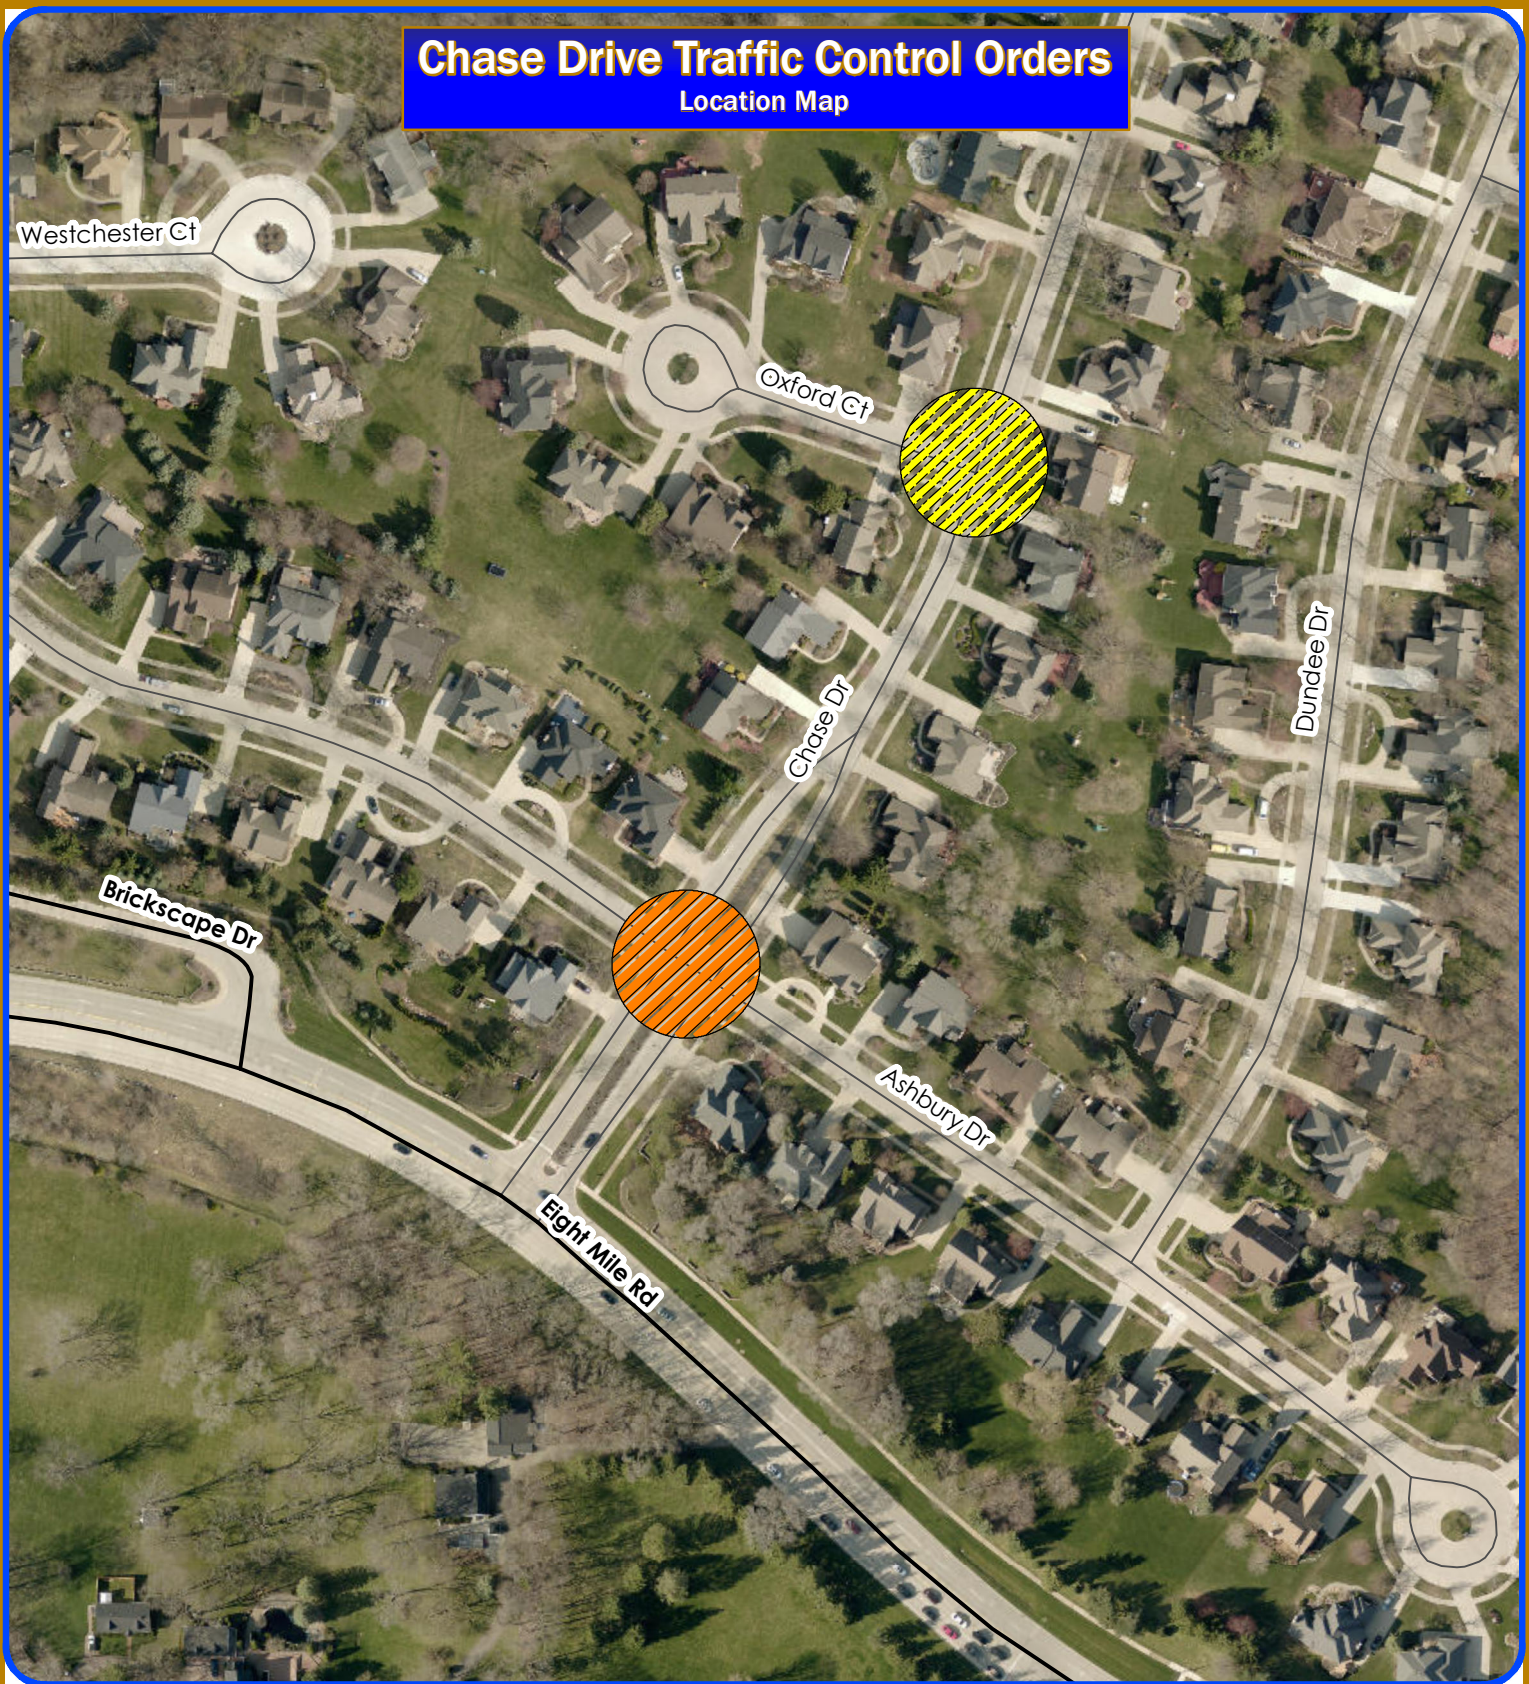

Traffic control orders are required under the Uniform Traffic Code to enforce traffic control signs installed on public streets. Staff has prepared the following traffic control orders for approval by City Council.

TCO No.	Description
18-01	Rescind TCO 02-15 (Three-Way Stop at intersection of Chase and Oxford Court)
18-02	4-Way Stop at Intersection of Chase Drive and Ashbury Drive
18-03	Rescind TCO 00-49 (Eastbound and westbound Ashbury Drive to stop at Chase Drive)
18-04	Rescind TCO 00-53 (Eastbound Oxford Court to yield at Chase Drive)
18-05	Eastbound Oxford Court to stop at Chase Drive

RECOMMENDED ACTION: Approval of Traffic Control Orders 18-01 through 18-05 for traffic control signs on Chase Drive.

Re: Chase Drive Stop Sign Relocation

Several years ago, Chase Farms Homeowners Association and the Novi Department of Public Services considered a project to remove both north and southbound Chase Drive stop signs at Oxford Court and relocate them to the corner of Ashbury. If approved: 1) Chase Drive and Oxford Court would have changed from a three-way stop to a one-way for traffic exiting Oxford Court onto Chase Drive and, 2) Chase Drive and Ashbury would change from a two-way to a four-way stop for all traffic. Other road priorities in Chase Farms and the City took precedence.

We understand that the move is being actively considered, and now appears more consistent with updated municipal traffic control practices. Moving the Chase Drive stop signs from Oxford Court to Ashbury offers the added advantage of slowing down incoming Eight-Mile traffic as well as mitigating the double bounce all Chase Drive traffic makes as it crosses both of Ashbury's significant side drains.

If the City is still willing to relocate the signs, the Chase Farms Board approves pending the receipt of sufficient prior communication that would enable us to alert our residents via email and sufficient advance temporary traffic signage to remind drivers of the new move. As always, we can quickly update our residents with our email distribution process. We would be pleased facilitate its use for this plan.

Chase Farms continues to appreciate all of our Novi City Services, especially those of Department of Public Services, the Police Department, as well as the Mayor and City Council. We look forward to your plans. As always, please let us know how we may assist.

Best Regards,

Arthur Vernon Belloli

President
