We also offer a 360 degree feedback review after six months to help address any issues to ensure that the City Manager has an accurate understanding of what they should keep, stop and start doing.

B. Recruitment Work Plan

To assist the City of Novi in finding their new City Manager we will follow our well-honed six step process, as described below. A full description of our approach and detailed timeline is included below. We also provide weekly status reports to the Council.

Step One - Create a Clear Target and Plan

Through a detailed needs assessment, we will learn from you the “must have” and “ideal” experiences and behaviors for the City Manager. We will start by interviewing stakeholders including elected officials and staff members to understand the goals, skills, experiences and behaviors that are critical and “ideal” for the position. We will also identify the key selling points of the position, organization and community, which informs the marketing strategy that we create.

Based on stakeholder data, we will create a rubric and align the selection group on experiences, leadership style, communication skills, etc. We will create a comprehensive position profile. We will research the existing compensation and benefits structure as it compares to the market. During this planning meeting we will present the rubric, profile, draft timeline and compensation data to Council.

Step Two - Market the Posting to the Right People

We use social media and national job boards to promote the opportunity, as well as to promote the amazing aspects of living, working and playing in the City of Novi region. This results in the largest possible pool of qualified applicants. In addition to our proprietary database of executive and professional talent, we will perform targeted outreach to candidates that might not otherwise apply through LinkedIn and other social media platforms, and engage with ICMA Newsletter/Job Center, Michigan Municipal League (MML), and other municipal websites to create a deep, diverse pool of qualified and interested candidates.

Step Three - Thoroughly Access Applicants

We will thoroughly assess the qualifications and suitability of all candidates in an independent and objective manner in accordance with all laws and regulations. We will use a survey, video interview, phone interview, cyber review, reference checks and background checks to thoroughly assess applicants. We will provide access to and summarize this data for review for Council. We will coordinate any additional assessments as directed by the Council.

Step Four - Interviews

We will coordinate an outstanding interview experience for candidates and stakeholders that complies with the Open Meetings Act. Finalists will have a Zoom or on-site interview that can include a wide range of interviews and tours. As directed by Council, we will coordinate schedules, manage candidate communications, and provide on-site logistic support during the on-site interviews. We will thoroughly prepare the City Council for the interviews by providing guidance, support and interview questions customized to the qualities that emerged through the detailed needs assessment.

Step Five - Negotiation

We will assist with the negotiation process with other administrative and legal parties. Our specific role will be directed by the Council.

Step Six - Transition Support

We help candidates successfully transition into their new roles by providing assistance with onboarding and relocation. If desired, we can provide a variety of support to assist with relocation and transition assistance, including housing assistance, partner job search assistance, child and elder care support, and finding local “greeters” to help welcome the new person into the community. We also offer a complimentary 360 degree feedback check-in after six months, and we assist the Council with determining performance expectations.

Proposed Timeline

The following timeline details the process (as described above) with a proposed schedule for deliverables and milestones.

Our proposed timeline is further customizable depending on the needs and goals of the City of Novi. It is our goal to create and implement a plan that works well to meet the City’s objectives, recognizing that a flexible approach is often needed as plans unfold.

The detailed timeline below demonstrates how a typical search process flows after we are contracted to begin the search.	
Activity	Time Frame
Stakeholder interviews - We interview stakeholders including the Council, staff, and key community members to understand the goals, skills, experiences and behaviors that are critical and “ideal” for the position. We also learn about the key benefits of the position, organization and community.	Weeks 1, 2
Selection Criteria Matrix - Based on interview feedback and survey data we create a "talent matrix" of key criteria.	Week 3
Marketing plan - Based on the interview feedback and research, we will create a digital and print marketing package that will be used to market the opportunity.	Week 3

<p>Review salary data - Review existing compensation and benefits structure as it compares to market comparables. Present compensation data to the hiring committee at the first meeting and determine target compensation range.</p>	<p>Week 3</p>
<p>Align - We will meet with the selection team to review the hiring criteria and job posting.</p>	<p>Week 4</p>
<p>Market the opportunity - We use social media and national job boards to promote the opportunity, and to promote the amazing aspects of living, working and playing in the community. This results in the largest possible pool of qualified applicants. In addition to our proprietary database of executive and professional talent, we perform targeted outreach through LinkedIn and other social media platforms, and engage with industry associations, which results in a deep, diverse pool of qualified and interested candidates.</p>	<p>Weeks 4-8</p>
<p>Assess applicants - We use a survey, video interview, phone interview, cyber review, reference checks and background checks to thoroughly review applicants.</p>	<p>Weeks 4-9</p>
<p>Present candidates - We will provide the selection team with a link to the candidate packets and videos. Selection team members will have at least one week to review information prior to the meeting to determine finalists.</p>	<p>Week 10</p>
<p>Determine finalists - We will review candidates with the selection team and determine interview panelists.</p>	<p>Week 11</p>
<p>Interviews - We will invite the interviewers, providing them copies of information on the finalist candidates. We also will create sample interview questions and feedback forms.</p>	<p>Week 12</p>
<p>Negotiation & Relocation - We provide a variety of support regarding contract negotiations and onboarding. We also provide a six month 360 degree feedback report for the new Manager to enhance rapid development.</p>	<p>TBD</p>
