

CITY of NOVI CITY COUNCIL

Agenda Item G
December 7, 2015

SUBJECT: Approval of the final payment to Great Lakes Power & Lighting, Inc. for the 2014 Lift Station Generator Sets project in the amount of \$24,644, plus interest earned on retainage.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division *BTC RA*
Department of Public Services, Water and Sewer Division

CITY MANAGER APPROVAL: *[Signature]*

EXPENDITURE REQUIRED	\$ 24,644.00
AMOUNT BUDGETED	\$ 243,695.00
LINE ITEM NUMBER	592-592.00-976.001

BACKGROUND INFORMATION:

This project included the installation of natural gas-powered generator sets at three existing sanitary sewer lift stations: Regency, Knightsbridge Gate, and Taft Knolls (see attached location map). The pump stations were constructed by the developer of each site, and each developer provided a portable diesel generator to the City. The installation of a permanent natural gas generator at these locations provides immediate back-up power to prevent sanitary sewer backups caused by power failures by automatically restoring power without relying on delivery of a portable generator by City personnel. Using natural gas as a fuel source is not only more cost effective, but because each station would be connected to a gas main, there would be an uninterrupted supply. During prolonged outages, diesel generators must be frequently re-fueled.

The construction contract was awarded for this project at the November 24, 2014 City Council meeting to Great Lakes Power & Lighting, in the amount of \$121,980. The generator for Taft Knolls was approved by City Council at the March 23, 2015 meeting as Change Order No. 1, in the amount of \$68,800.

Engineering staff worked with the engineering consultant for this project, Spalding DeDecker, to review and verify the final contract payment amount of \$24,644.00 that is due the contractor (Final Pay Estimate No. 5, attached). The City Attorney reviewed the documentation and found it to be in an acceptable form (Beth Saarela's November 18, 2015 letter, attached).

In addition to Change Order 1 adding Taft Knolls to the project, there was one other approved change order issued for this project. The approved change orders resulted in a final contract price of \$177,292.76.

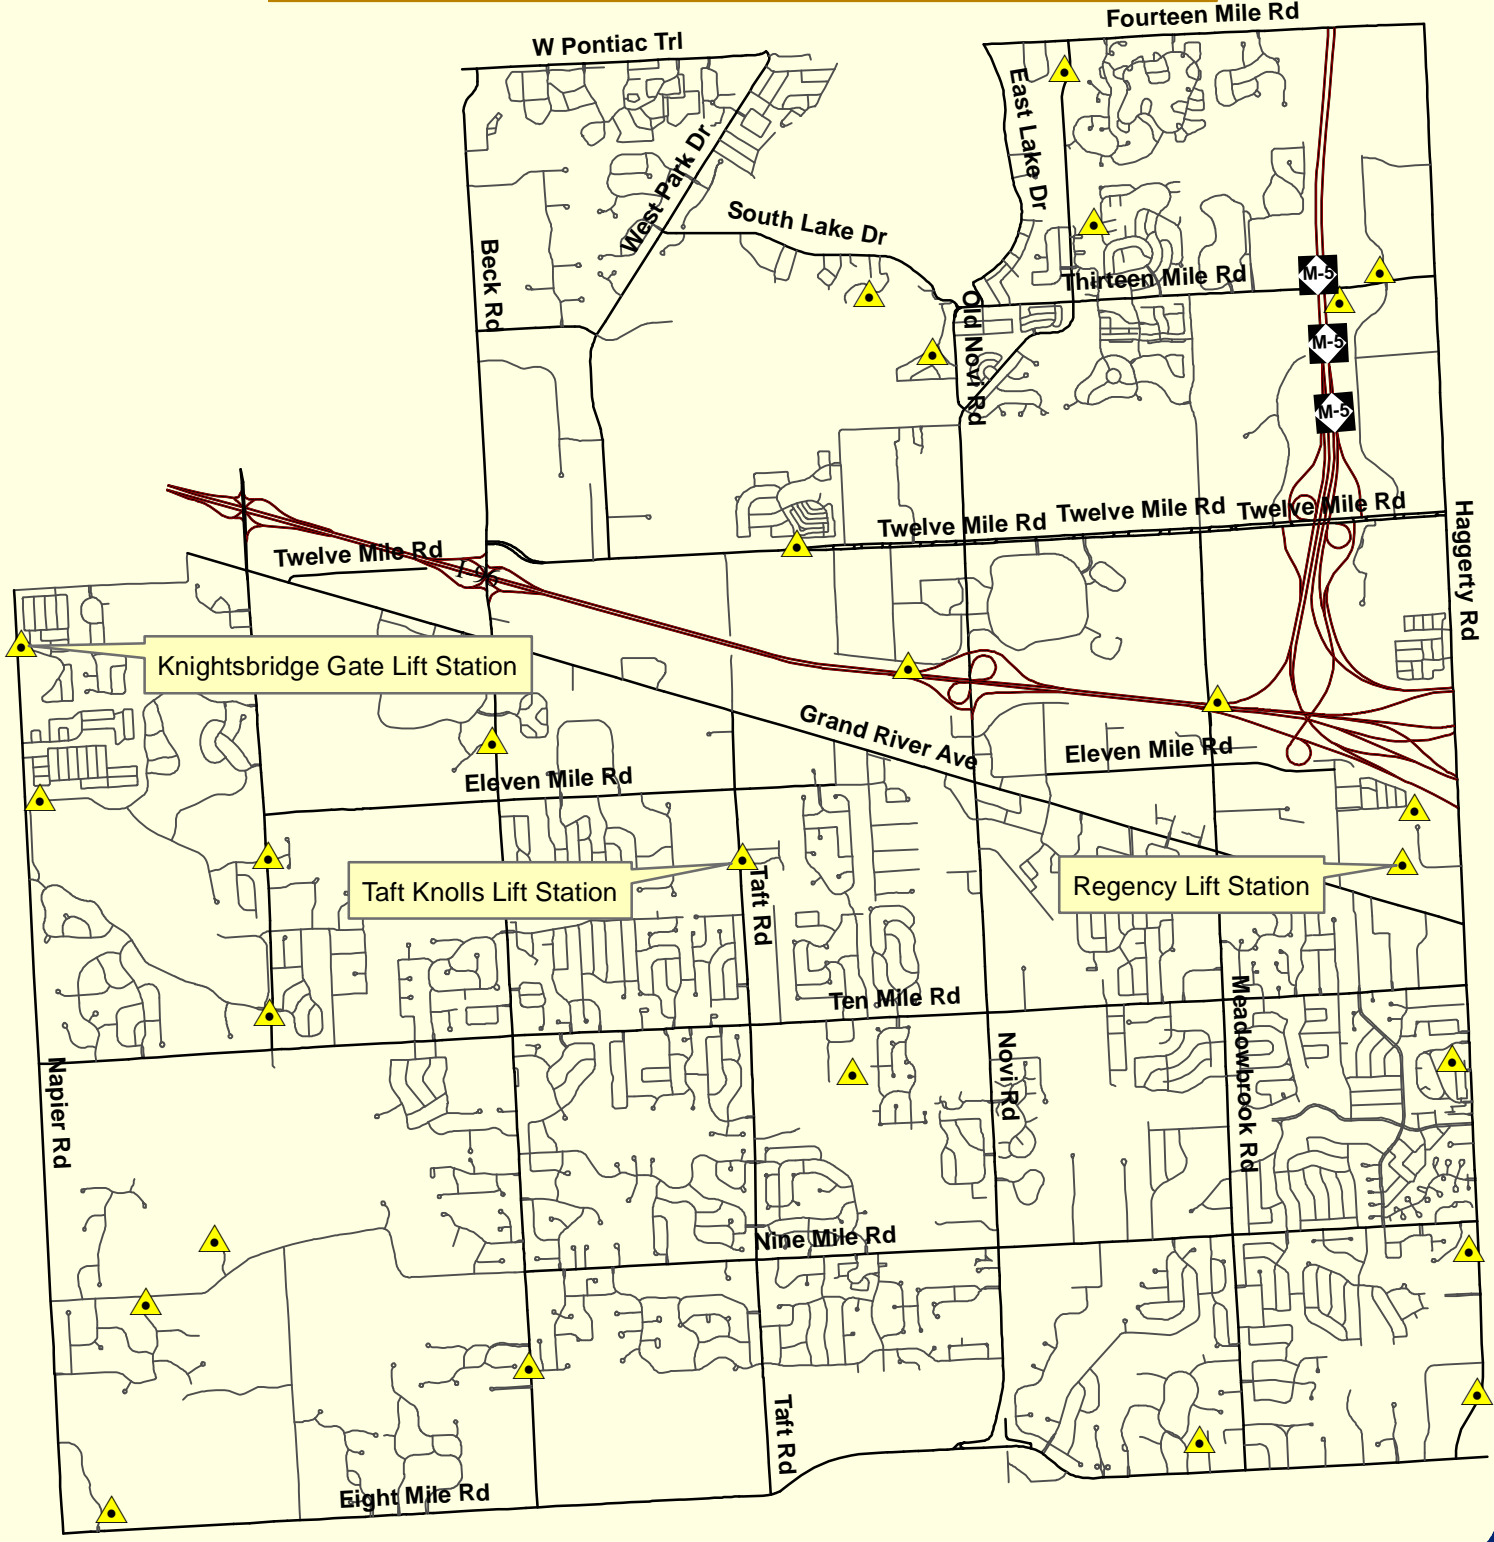

RECOMMENDED ACTION: Approval of the final payment to Great Lakes Power & Lighting, Inc. for the 2014 Lift Station Generator Sets project in the amount of \$24,644.00, plus interest earned on retainage.

**Re: Regency and Knightsbridge Gate Lift Station Upgrades
*Closing Documents***

Dear Mr. Staup:

We have received and reviewed closing documents for the Regency and Knightsbridge Gate Lift Station Upgrades Project:

1. Application for Final Payment
2. Contractor's Sworn Statement
3. Consent of Surety
4. Waivers of Lien
5. Maintenance Bond Rider

The documents appear to be in order. The existing Maintenance and Guarantee Bond has been increased to the final project cost. Subject to approval of the Application for Final Payment by appropriate City staff, final pay may be approved subject to receipt of the general contractor's waiver of lien at the time of final payment.

Please feel free to contact me with any questions or concerns in regard to this matter.
