BACKGROUND INFORMATION:

Parks, Recreation and Cultural Services (PRCS) purchases a variety of soccer uniforms throughout the year related to programs and staff, therefore a comprehensive spec sheet for soccer was developed. Due to the high volume of soccer uniforms purchased over the fall and spring sessions, PRCS requested bids from three main vendors who were equipped to deliver high quality products of this size with competitive pricing. Soccer uniforms are budgeted as part of the expense for each session and incorporated into the fee for each participant.

After reviewing the three bids and completing reference checks, staff is recommending Challenger Teamwear, the lowest bidder. The following is the list of vendors who submitted bids:
